Ethics And Compliance Programs In Multinational Organizations:

Ethics and Compliance Programs in Multinational Organizations Katharina Wulf, 2012-02-21 The study examines how multinational organizations implement the concept of ethics and compliance programs into their businesses and the extent to which these programs were geared to the 2004 Amendments The study explores the applicability of the 2004 Amendments and analyzes the instruments organizations use to successfully develop and maintain these programs By including research from various fields a theoretical framework was developed for implementing an ethics and compliance program that takes into account the 2004 Amendments The World Bank Legal Review Volume 6 Improving Delivery in Development Jan Wouters, Alberto Ninio, Teresa Doherty, Hassane Cisse', 2015-03-13 Voice social contract and accountability are discussed from the point of view of the function of law justice judicial systems and related areas from human rights to government policy urban development resource management gender social rights economic reforms governance sustainable development and anti corruption **Preventing Corporate Corruption** Stefano Manacorda, Francesco Centonze, Gabrio Forti, 2014-04-28 This book presents the results of a two year international research project conducted for the United Nations Office on Drugs and Crime UNDOC to investigate and provide solutions for reducing bribery and corruption in corporations and institutions It starts with an empirical case study on the effectiveness of a set of self regulation rules adopted by multinational companies in the energy sector Second it explores the context and factors leading to corruption internationally and the relationships between domestic criminal law and self regulation Third it examines guidelines for the adoption of compliance programs developed by international institutions to serve as models for the future The principle result of the book is a three pronged Anti Bribery Corruption Model so called ABC Model endorsed by the United Nations intended as a corruption prevention tool intended to be adopted by private corporations This work provides a common research based standard for anti bribery compliance programs with international applications This work will be of interest to researchers studying Criminology and Criminal Justice particularly in the areas of organized crime and corruption as well as related areas like Business Ethics and Comparative International Law Global Information Technologies: Concepts, Methodologies, Tools, and Applications Tan, Felix B., 2007-10-31 This collection compiles research in all areas of the global information domain It examines culture in information systems IT in developing countries global e business and the worldwide information society providing critical knowledge to fuel the future work of researchers academicians and practitioners in fields such as information science political science international relations sociology and many more Provided by publisher *The Aspen Institute Guide to Socially Responsible MBA Programs: 2008-2009* The Aspen Institute, 2008-06-23 The Aspen Institute a premier non profit research organization for corporate social responsibility offers the first comprehensive guide to the world s leading global MBA programs in CSR an indispensable guide for prospective students universities hiring companies and libraries This guide provides an overview of how global MBA programs bring social impact management into

their curricular and extracurricular programs Social impact management which includes environmental ethical and corporate governance issues is the field of inquiry at the intersection of business needs and wider societal concerns that reflects their complex interdependency Without an understanding of this interdependency neither business nor the society in which it operates can thrive Each year business schools from around the world strive to differentiate themselves and attract the best and the brightest future business leaders while prospective MBAs are looking for a program that will provide effective management skills to succeed in the changing face of business The bottom line is no longer exclusively dedicated to financial returns Rather business leaders must also consider the environmental and social impacts of their decisions in order to compete in today's marketplace The MBA schools that participate in the Aspen Institute's survey and are therefore highlighted in the Aspen Institute Guide for Socially Responsible MBA Programs 2008 2009 are leaders in integrating these issues into their MBA curricula Corporate Compliance, 2002 *Compliance* Will Rollason, Eric Hirsch, 2023-12-08 Exploring compliance from an anthropological perspective this book offers a varied and international selection of chapters covering taxation corporate governance medicine development carbon offsetting irregular migration and the building trade Compliance emerges as more than the opposite of resistance instead it appears as a valuable heuristic approach for understanding collective life as a means by which actors strive to accommodate themselves to others This perspective transcends conventional distinctions between power and resistance and offers to open up new avenues of anthropological enquiry **Advanced Corporate Compliance Workshop**, 2009 **Denver Journal of International Law and Policy**, 2011 Building a World-Class Compliance Program Martin T. Biegelman, 2008-03-11 Written by a long standing practitioner in the field this timely and critical work is your best source for understanding all the complex issues and requirements associated with corporate compliance It provides clear guidance for those charged with protecting their companies from financial and reputational risk litigation and government intervention who want a robust guide to establish an effective compliance program *Corporate Compliance Institute*, 2004 *Annual Directors' Institute on Corporate Governance*, 2010 **Global Information Technologies** Felix B. Tan, 2008 This collection compiles research in all areas of the global information domain It examines culture in information systems IT in developing countries global e business and the worldwide information society providing critical knowledge to fuel the future work of researchers academicians and practitioners in fields such as information science political science international relations sociology and many more Provided by publisher *Business Week*, 2007 Compliance Programs and the Corporate Sentencing Guidelines Jeffrey M. Kaplan, Joseph E. Murphy, 2007 *Audit Committee Workshop ...*, 2005 **Academy of Management Perspectives**, 2006 **Multinational Corporations and International Law** Emeka A. Duruigbo, 2003 The author proposes that international law can be strengthened by incorporating and integrating multinational corporations more fully into the international legal system The establishment of international norms of corporate responsibility and accountability under accepted international

law could thereby lead to mutual benefits Multinational corporations would enjoy de jure protections enhancing their global business activities and countries where these corporations have considerable social economic and environmental effect on their communities will have recourse to hold corporations accountable for harmful actions Published under the Transnational Publishers imprint *Wisconsin International Law Journal* ,2001 **Corporate Crime in America** ,1995
