Etiquette Guide to China Boye De Mente, Patrick Wallace, 2016 *CHINA Understanding and Dealing with the Chinese Way of Doing Business!* Boye De Mente, 2012-02-29 China has emerged on the world scene as a major economic and political force that appears destined to surpass the United States a portent of the future that goes well beyond anything the U S has faced before The business practices of today's China are a mixture of traditional values and customs combined with Western concepts and practices that despite bumps in the highway are propelling the country forward at warp speed This book addresses both the traditional and modern day aspects of how business is done in China and offers valuable insights in how to deal with them effectively It also covers aspects of China's appearance on the international scene and the globalization of its economy that are political in nature It is an ideal handbook for businesspeople consultants educators and students

Samurai Principles and Practices That Will Help Preteens and Teens in School, Sports, Social Activities and Choosing Careers! Boye Lafayette De Mente, Boye De Mente, 2005 FOR PARENTS TEACHERS PRETEENS TEENS Japan's famous samurai warriors who ruled the country from 1192 until 1868 were one of the most remarkable groups of people the world has ever seen Their skills with the sword and other weapons of war have seldom been equaled and never surpassed During the latter centuries of the samurai reign their training went beyond the martial arts to include such cultural pursuits as poetry painting calligraphy history philosophy and human behavior Schooling in the skills and knowledge necessary to produce a samurai began in early childhood and was a lifelong effort **Samurai Principles Practices That Will Help Preteens Teens in School Sports Social Activities Choosing Careers** by internationally known

Japanologist and author Boy Lafayette De Mente identifies the principles and practices that made up the educational and training process of samurai youths. The book covers all of the basics of the samurai training: setting goals, discipline, diligence, perseverance, respect, personal appearance, keeping things in order, using intuitive and emotional intelligence, and tapping into cosmic power. De Mente says that training in karate, kendo, the way of the sword, and meditation are paths to learning the skills, morality, and motivation that made the samurai so successful and recommends that this training be incorporated into the educational system of Western countries. An intriguing handbook for success that should especially appeal to the video game generation. *Bridging Cultural Barriers in China, Japan, Korea & Mexico* Boye Lafayette De Mente, 2009-11. The economies of the advanced countries have gone global but not the cultures. This presents a plethora of problems that include economic as well as political affairs, especially with countries whose cultures are often so different that compromises much less agreements range from difficult to impossible. In this book, author Boy Lafayette De Mente, known for his pioneer books on the business and social cultures of China, Japan, Korea, and Mexico, presents a series of business-oriented insights that take much of the mystery out of the mindset and behavior of the Chinese, Japanese, Koreans, and Mexicans. It is excellent background reading for business people, diplomats, political leaders, academics, and students. *Cultural Failures That Are Destroying the American Dream! - The Destructive Influence of Male Dominance & Religious Dogma!* Boye Lafayette De Mente, 2011-02-20. Author Boy Lafayette De Mente blames male dominance, invalid and inhuman religious dogma, a new morality based on money, and a political system that is dysfunctional for all of the problems besetting the United States. De Mente says that the primary cause of the failures of human cultures since day one has been males who put power over females, tribalism, territorialism, and race above the rights of people in general. As the eons passed, there was a growing awareness among male leaders of the need for rules to control the animalistic attitudes and behavior of men, but all of the institutions they created, including religions, continued to reflect the primitive nature of human males, and this nature is responsible for the mess the world is in today, he added. This book details the negative consequences of male dominance in every area of human endeavor, beginning with religions and including business, politics, education, entertainment, and the news media, and suggests remedies for the cultural morass that threatens the American dream and imperils the rest of the world. Among the topics dealt with in the book: the harmful influence of advertising, sleaze, entertainment, prostitution, the rise of pornography as a major industry, child abuse, sexual abuse, violence, the excess consumption syndrome, the ongoing anti-female dogma of religions, the growth of newspeak to control people, and the good and the bad of the Internet. One of the more unusual recommendations in the book is that parents around the world should emulate the samurai, the hereditary warrior class that ruled Japan from 1192 until the late 1860s, in educating their children. The 26 attributes samurai parents taught their children reflect wisdom that is still rare in today's world. De Mente said the 26 attributes are included in the text of the book. The Incredible Power of Serendipity! Boye De Mente, 2012-05-22. How Serendipity Shaped the Life of Author Boy

Lafayette De Mente This is the personal memoir of author Boy Lafayette De Mente the 4th of ten children born to poor parents in an isolated valley in the Ozark Hills of southeast Missouri and raised during the Great Depression of the 1930s He went on to have a remarkable life which he attributes to the incredible power of serendipity As editor of The IMPORTER magazine in Tokyo in the late 1950s and early 1960s and as the author of numerous pioneer books on the mindset and business practices of the Chinese Japanese and South Koreans he made major contributions to the initial rise of Japan South Korea Taiwan Hong Kong and China as economic superpowers He played a leading role in helping to launch the career of Thunderbird School of Global Management alumnae brother Merle Hinrichs who became the largest trade magazine publisher in Asia a major financial donor to Thunderbird and member of the board of directors And he launched the publishing career of Kentucky hillbilly Larry Flynt who achieved great wealth and notoriety as the publisher of HUSTLER magazine and champion of freedom of speech On the day De Mente met Flynt he told his wife that he had just met a 26 year old man who had the intelligence and drive to become president of the United States by the time he was old enough to qualify for the office De Mente's encounters and relationships with such extraordinary individuals as Admiral Chester W Nimitz America's ranking naval officer during World War II Akio Morita co founder and leading light of what was to become the Sony empire Toshio Karita former protocol officer for the Imperial Family of Japan and Daisetsu Suzuki Japan's leading Zen master plus many more were experiences he could not have even dreamed about before they happened His story is an example of the potential of ordinary individuals to achieve significant things when life presents opportunities and they follow up on them **The Bizarre and the Wondrous from the Land of the Rising Sun!** BOYE LAFAYETTE. DE

MENTE, 2010-12-22 The Bizarre and the Wondrous from the Land of the Rising Sun highlights unique aspects of Japan ancient and modern that have made the country fascinating to Westerners since they first stumbled upon the islands in 1543 These unusual attractions range from high tech robots that do such things as act as tourist guides and perform delicate surgery to festivals that go back more than two thousand years and strike many foreign visitors as being bizarre Among the celebrations that could be labeled as bizarre are annual fertility festivals that feature authentic looking replicas of the male penis carved in wood from purse size versions to ones that are over two meters long and weigh up to 800 pounds The best known of the fertility festivals is the one staged each March 15 by the Tagata Shrine near the city of Nagoya The largest wooden penis is carved anew each year and after the ceremony is kept on display in the main shrine building until the following year when it is sold to private buyers On the day of the festival the large version of the erect male organ is pulled through the streets on a wheeled cart by up to 12 men to the delight of raucous crowds and child bearing age women who try to touch the replica in order to increase their chances of becoming pregnant Other penis replicas are edible versions made like candy and cookies that are sold to visitors as snacks and souvenirs to take home Also on the incredible side is a legend that the young Jewish man now known and worshipped by Christians as Jesus Christ the son of God did not die on the cross

that in fact he lived and died in Herai Village in Japan According to the Christian Bible Jesus was born in Israel There is no further mention of him in the Bible until he is 12 years old when he appears at a Jewish synagogue and lambasts the rabbis for their un Christian like behavior The next mention of Jesus in the Bible is when he is in his early 30s and shows up at the Jordan River to be baptized by John a well known Jewish preacher According to the Japanese legend Jesus and his brother Isukiri spent most of those missing years in Japan returning to Judea when Jesus was 34 years old The story goes on to say that after he was betrayed to the Roman authorities he fled back to Japan and it was his brother who was crucified The story adds that Jesus married a Japanese girl became a rice farmer and lived the rest of his life in Herai later renamed Shingo There is a tomb in Herai that has long been known as the burial place of Jesus Jehova the son of Mary In the book De Mente goes on to explain how the legend and the tomb became known to present day Japanese authorities and was publicized in English for the first time in 1935 De Mente says he learned about the story in Tokyo in the early 1950s when he was editor of a monthly cultural magazine including seeing a photograph of documentary evidence from a museum in Herai Other fascinating stories in the book include how the infamous secret agents and assassins known as ninja neen jah became a major part of Japanese history why and how Japan became the first nation in the world to have a national network of roadside inns spaced one day s march apart why the Japanese are so skilled at producing arts and crafts of extraordinary beauty why single Japanese girls and men have a hard time hooking up why Japan s izakaya are more fun than Irish pubs why rice and other vegetables grow on top of buildings how the Japanese came up with a new reason for wearing clothes and some 50 plus other fascinating stories

Romantic Mexico--the Image and the Realities Boye De Mente,2005-06 This insightful guide provides an in depth look at the history of male female relations in Mexico at how Indian Moorish and Spanish influences molded the character of present day Mexicans and how these influences continue to play a role in sexual moral ity courting and marriage in Mexico It covers the origins of the machismo cult the smoldering pas sions of men and women the extraordinary romantic nature of Mexicans the violent element in love sex and marriage visitors looking for romance in Mexico and more There are also some choice aphrodisiacs including one that is known as Raise the Dead

The Origins of Human Violence! - Male Dominance, Ignorance, Religions & Willful Stupidity! Boyé De Mente,2010-05-24 Despite the ages that have passed since homo sapiens developed the ability to think and behave in ways that transcended our animal origins and in remarkable ways distinguished us from other primates male humans in particular have continued to exhibit animalistic behavior and today remain fixated on violence not only toward other humans but also toward animals other species of life and the Earth itself There is more to the story of why so many human males are prone to engage in violence and remarkably most of this story has to do with attempts by men to establish controls and high standards for human behavior that to an astonishing degree had the opposite effect The author says the reason for this dichotomy is that these religious inspired attempts were based on the misunderstanding misuse and abuse of human sexuality combined with the fundamental

ignorance and willful stupidity of human males He explains why and how this incredible situation developed and continues today and includes some extraordinary recommendations

THE PLAGUE OF MALE DOMINANCE Boye De Mente, 2014-09-12 Human males have been responsible for most of the violence that has plagued humanity since the origin of the species It is something programmed into males by their genes This built in mindset is responsible for the present state of affairs in the United States and the economic social and religious problems in virtually all other societies Virtually all of the male created institutions have traditionally been designed to keep women from using their minds and to repress their natural sexuality and this especially applies to man made religions This book details the overall failures of American culture from economics education entertainment politics and religions to sexual behavior It maintains that human beings cannot achieve even half of their potential until women play an equal if not primary role in the affairs of humanity It also makes other suggestions for overcoming the built in handicaps of humanity *The Publishers Weekly*, 2008 [The Sensual Side of the Orient -- An Armchair Guide for Travelers](#) Boye Lafayette De Mente, 2005-04-19 It was not silk and spices or any other commercial product that kept Marco Polo in China for years and have continued to attract huge numbers of people especially men to the Orient It was the sensual side of Asian cultures particularly the charms of young women says the author of this book China Korea Thailand Malaysia and the Philippines have more beautiful women per capita than any Western country he adds and has obviously made a detailed study of the subject his books include *Women of the Orient* This account explains why so many Western men prefer the charms of Asian women to women from their own ethnic and cultural groups [Books In Print 2004-2005](#) Ed Bowker Staff, Staff Bowker, Ed, 2004 **Etiquette Guide to Japan** Boye Lafayette De Mente, 2008-11-15 Farewell to faux pas Minding your manners is an acquired skill but what serves you well elsewhere could trip you up in Japan Save yourself possible embarrassment with *Etiquette Guide to Japan* An inside look at Japanese social graces it answers all the questions of the thoughtful traveler Although often overshadowed by a modern facade long standing traditional aspects of Japan's culture still influence the country and almost everyone in it Concrete evidence of this traditional culture can be seen everywhere in the ancient arts and crafts that are still important parts of everyday life in the many shrines and temples that dot the nation and in the modern comeback of traditional fashions such as kimono and yakata robes To many Western visitors however the most obvious example of this traditional culture's strength is the unique etiquette of the Japanese Like many nations Japan has experienced vast political social and economic change over the past century But enough of Japan's traditional etiquette remains to set the Japanese apart socially and psychologically and to make success in socializing and doing business with them a special challenge for Westerners This updated and expanded edition of the classic etiquette guide addresses all the newest developments trends and protocols that every traveler needs to know from the tea ceremony to the subway to the bathroom *Farmer's Advocate and Home Journal*, 1915 **Report of the Departmental Committee Appointed to Inquire Into the Dangers Attendant on the Use of Lead and the Danger Or**
