Eu And The Balkans Policies Of Integration And Disintegration:

EU and the Balkans Leila Simona Talani, 2020-12-15 Integration and disintegration are the two poles of the economic political and security discourse in an area the Balkans and Southern Eastern Europe SEE which over the past fifteen years has been the stage of dramatic events Integration and disintegration are the two dimensions of an identity problem that many feel the area can solve by joining the European Union and diffusing its many conflicts in the peaceful waters of Europeanisation However quite apart from the obvious point that the accession process cannot be taken for granted in relation to many of the new Balkan countries integration into the EU can be argued as having been and still being a further catalyst for disintegration This book assesses the extent to which the integration of the Balkans into the EU will either foster or discourage the integration of the area itself as well as the winners and losers under this process The book addresses the topic in a multidisciplinary way The contributions are the result of a fruitful co operation between scholars from the Balkans the UK and the US The book tackles the issue of the relation between the EU and the Balkans in all its controversial and contradictory dimensions

The European Union in the Security of Europe Steve Marsh, Wyn Rees, 2012-03-12 This book examines the European Union s contribution to providing security in Europe amidst an increasingly complex and challenging environment In this new and comprehensive guide to the EU s role in security since the end of the Cold War the authors offer an explanation of EU internal and external security regimes and argue that the Union has become an important exporter of security within its region However the Union s rhetorical ambitions and commitments continue to outstrip its capabilities and it lacks both a common conceptualisation of security and a meaningful shared strategic culture Drawing extensively on primary sources the book examines the Union s relations with the US and Russia in a time of shifting geostrategic calculations and priorities With the EU capacity for enlargement slowing this text presents a detailed assessment of EU security policies towards Central Europe the Mediterranean the Western Balkans Eastern Europe and South Caucasus European Union Security will be of interest to students and scholars of the EU security studies and international relations

'Balkanization' and the Euro-Atlantic Processes of the (Western) Balkans Liridona Veliu Ashiku, 2024-08-30 This book explores how balkanization as a discourse underpins the policies of the European Union EU and the North Atlantic Treaty Organization NATO toward the Western Balkans It shows how EU and NATO policies have emerged from and led to the constant reinvention of the unity of the West through balkanizing the region and illustrates how this dynamic is maintained by and instrumentalized for the political elites Through a genealogical analysis that stretches from the Balkans Wars to more recent events such as North Macedonia s change of name in 2018 the author shows how Western policies have aimed at recreating the united West on the back of the broken Balkans The book will appeal to scholars and students of Southeast Europe International Relations Political Science Peace and Conflict Studies and History
