your world **Mindfulness-Based Substance Abuse Treatment for Adolescents** Sam Himmelstein, Stephen Saul, 2015-06-12 Mindfulness Based Substance Abuse Treatment for Adolescents is a group based curriculum incorporating mindfulness self awareness and substance abuse treatment strategies for use with adolescents dealing with substance use. The evidence based how to format provides a curriculum for professionals to implement either partially by picking and choosing sections that seem relevant or in full over a number of weeks. Each session comes equipped with clear session agendas, example scripts and talking points, what if scenarios that address common forms of resistance and optional handouts for each session. Sections cover the major principles of working with adolescents, relationship building, working with resistance and more, along with a full curriculum. The book is a natural fit for psychotherapists but addiction counselors, school counselors, researchers, mentors and even teachers will find that Mindfulness Based Substance Abuse Treatment for Adolescents changes the way they work with young people.
