Mythmaking across Boundaries Züleyha Çetiner-Öktem, 2016-04-26 This volume explores the dynamics of myths throughout time and space along with the mythmaking processes in various cultures literatures and languages in a wide range of fields ranging from cultural studies to the history of art The papers brought together here are motivated by two basic questions How are myths made in diverse cultures and literatures And do all different cultures have different myths to be told in their artistic pursuits To examine these questions the book offers a wide array of articles by contributors from various cultures which focus on theory history space place philosophy literature language gender and storytelling Mythmaking across Boundaries not only brings together classical myths but also contemporary constructions and reconstructions through different cultural perspectives by transcending boundaries Using a wide spectrum of perspectives this volume instead of emphasising the different modes of the mythmaking process connects numerous perceptions of mythmaking and investigates diversities among cultures languages and literatures viewing them as a unified whole As the essays reflect on both academic and popular texts the book will be useful to scholars and students as well as the general reader

Children's Books, 1976

The Myth Connection Chitra Sankaran, 1993

The Knight and His Magical Armlet Christy Matheson, 2025-10-03 He's got this hero gig down until he meets a woman who changes the rules Rian is

used to the enchantment that yanks him through time to rescue people just so long as he makes it home for his adopted son's holiday visits. When a new lady in waiting shows up at his boss's castle, Rian sees immediately that Maura is from another time. He's exhausted but he'll do what his armlet demands. First flirtation then danger then rescue. Check. But then his armlet doesn't force him into action and Maura keeps defying his expectations. As kind and sensible as she is pretty, she might see through his mask to the tired passionate man underneath. When Rian's boss, legendary Fionn McCool, drags Maura off on a dangerous cross-country trek, Rian has to decide if he's going to stick with Maura even though the armlet doesn't force him and even though this might be his last chance to see his son. Read now to journey to ancient Ireland with a warrior who has to decide if his heart is ready for love. [The Horn Book Guide to Children's and Young Adult Books](#), 2008 **As the Goose Flies** Katharine Pyle, 2023-10-19 In *As the Goose Flies*, Katharine Pyle masterfully intertwines the charm of folklore with the intricacies of human emotion and nature. This enchanting narrative, rich in vivid imagery and lyrical prose, invites readers on a journey through the heart of rural America, reflecting the friendship between humans and wildlife. Pyle's literary style is deeply influenced by her fascination with the natural world as well as her desire to convey deeper ethical and moral values which resonate throughout her work, offering a poignant exploration of community and the passage of time. Katharine Pyle, a prominent figure in the early 20th-century American literature, drew upon her rich background in illustration and storytelling to craft narratives that appeal to both the young and the mature reader. Her exploration of various themes such as kinship with the earth and the interconnectedness of all beings is particularly evident in this work. Pyle's upbringing, surrounded by nature and her artistic inclinations, paved the way for a unique storytelling approach that blends fantasy with realism. *As the Goose Flies* is a remarkable addition to the canon of American children's literature and it beckons to readers of all ages to reconnect with nature and the world around them. This book not only entertains but also imparts valuable life lessons, making it a quintessential read for those who appreciate the beauty of storytelling and the profound messages interwoven within.
