### *Message from the Principal....*

Semester 1 has come to a conclusion, and it is the beginning of a new semester. Final report cards for Semester 1 have been distributed. Please review your child's report card very carefully and discuss with your child areas for improvement and celebrate successes. If you have any questions, please do not hesitate to contact your child's first semester teacher(s).

Here are a few highlights since our last November newsletter:

On December 6/7 our Grade 10 History/Civics students went to Ottawa and visited a number of interesting and informative sites. Thanks to Mr. Helleiner for organizing the trip and Mrs. Suddard also for supervising.

Our Girls Hockey Team participated in the annual tournament at York University on December 11<sup>th</sup> and 12<sup>th</sup>. We are proud of the excellent effort, performance, and sportsmanship by our girls. Thanks to Mr. Ruth and Mrs. Warwick for supervising our students throughout the two days.

Our annual Seasonal Celebration of Music took place on December 5<sup>th</sup>. It was a very entertaining evening, enjoyed by all who attended. Thanks to Mr. Sharpe for working hard with our students in preparing for this evening.

Our Grade 8 Parent Information Night took place on January 10<sup>th</sup>. Department Heads and other teaching staff attended the event. Special thanks are extended to Sue Hartwell who represented School Council and had an opportunity to welcome parents and students to Clarke High School. We are in the process of having students complete their course selection for next year. Students are using Career Cruising to enter their subject choices. The program is available on-line so students can access the program and have time to work through the options from home. Students are to submit a copy of their choices, signed by a parent, to the school as verification.

On Wednesday, January 18, a group of senior students and Mr. Loster, Mrs. Loster and Mrs. Warwick visited the Ontario Science Centre. The trip was a wonderful learning experience for the students who tried out new experiments!

On January 21/22, current Grade 9 students taking math completed the EQAO Mathematics Assessment. Throughout the semester, grade 9 Math teachers worked on specific areas to help prepare the students for the test. Students enrolled in grade 9 math for second semester will obtain similar support throughout the semester.

As Semester 1 concluded, we said goodbye to a couple of teachers and we wish them well in semester 2:
