Hi Carol,

How's your new school? Hope you're still enjoying it. I've had a lot of exams recently so I've spent most of my time revising. I (1) (n. allowed to) to use the computers at school to revise during breaks so that helps. The science test was really hard and I was sure I'd failed but I (2) also (have to) (be) worried. I got top marks! Anyway, did I tell you I'm going to New York with my mum? We've decided to go in December for a shopping trip. I'm really looking forward to it, but I (3) must (need) spend too much because I'm going away again on a school trip in March and I have to save up for that. I'll need some new clothes for that trip so I (4) should (ought) look for some while we're in New York. I will (5) have to (need) do lots of extra chores around the house and maybe even find a part-time job, but it will be worth it!

Hope to see you soon.

Nancy

I love watching tennis but I think it (2) (be) quite a boring job sometimes. You have to practise for hours on end and you need great discipline. Serena grew up in a really poor neighbourhood and she (3) (find) it easy but her father was determined that she and her sister Venus were going to be great tennis players. She has won so many tennis tournaments now it's incredible. She (4) (work) really hard to come back from her injuries and a really serious illness, too. She is also interested in fashion and the arts. She will (5) (do) a lot of work but she could become just as famous for those activities in the future because she is so focused.
