Edies First Time Home Buyers Manual:

Edie's First Time Home Buyer's Manual Edie C. Phillips, 2014-06-19 In the non fiction genre this home buyer s manual emerges as a handy guidebook for all those who are buying or planning to buy their dream home From pros and cons of buying renting to tracking housing markets to dealing with realtors and sellers the book talks about all the comprehensive aspects related to buying a home so that everyone is able to make a well informed choice during this important decision of their life Each one of us needs a shelter to live our life although expectations may vary Some want to own a luxurious house while some look for a house that can best fit in their budget Despite the difference in everyone s expectations one cannot deny the truth that when it comes to purchasing a house a large number of factors remain the same However either in hurry or due to a lack of complete information most of the factors are overlooked or ignored But with this home buyer s manual by one s side it is now difficult to make any hasty or uninformed decisions in this regard In this book the author guides readers on even minute details to help them make their purchase a smart experience The content emphasizes on analyzing buying ability realtors sellers housing market buying and renting options neighborhood value house condition property value and many other reasonable and logical factors from close quarters It is indeed a beacon light for first time home buyers and to many experienced buyers as well The book follows a very crisp and to the point approach with absolute fluidity in language without sounding dull or abstruse anywhere
