Edexcel Functional Skills Teachers Guide:

Principles and Practices of Assessment Ann Gravells, 2015-12-26 This is a core text for anyone training to be or working as an assessor in the further education and skills sector. It has all the information you need to work towards the assessment units for qualifications such as the Award Certificate and Diploma in Education and Training or the assessment units of the Learning and Development TAQA qualification. The book takes you through all the information you need to know opening up the topic for learning in a really accessible way. Interactive activities are included throughout and real examples of assessment in practice are included. The book also includes examples of completed assessment documents. It is a comprehensive text covering principles of assessment planning for assessment types and methods of assessment, assessment practice, giving feedback, recording progress and achievement, quality assurance, evaluation. This third edition has been updated to bring the book in line with all qualifications that include assessing learning. This is your guide to understanding how to use assessment effectively in your teaching and assessing role. *The ICT Teacher's Handbook* Roger Crawford, 2013-06-26 The ICT Teacher's Handbook is an indispensable guide for all teachers responsible for the teaching and management of ICT in the secondary school, both as a comprehensive introduction for students learning to teach ICT and as a source of ongoing support for busy practising teachers. Illustrated throughout with case studies, key further reading and guidance on where to find and how to choose the best software and resources, the book also features a guide to specifications, software for whole school support and a useful glossary of key terms. Key topics covered include: Organising and delivering the ICT National Curriculum at key stages 3 and 4 and post 16; Teaching and learning with VLEs, IWBs, social networking and mobile technologies; Assessment, record keeping and reporting; Popular hardware, software and networks; External assessment, target setting and tracking; Managing technical support and technicians; Preparing for promotion and managing an ICT department; Strategies for whole school management of ICT. Written for trainee and experienced ICT teachers and managers in both English and international schools, The ICT Teacher's Handbook is an authoritative guide designed to support effective teaching and learning and efficient use of technology in all schools. *Handbook for Education Professionals* University of Bristol, School of Education, 2018-07-16 The Handbook for Education Professionals The Bristol Guide 2018/19 is written for all professionals working with children and young people in England. It provides guidance on the law and advice related to their professional responsibilities, duties and rights. It is also available in print. For further information see www.bristol.ac.uk/education/expertiseandresources/bristolguide. It is an essential resource for initial teacher training (ITT) students working towards their qualified teacher status (QTS). It also helps newly qualified teachers (NQTs) and more experienced teachers have an understanding of and always act within the statutory frameworks which set out their professional duties and responsibilities. Teachers, Standards Higher Level Teaching Assistants (HLTAs) and Teaching Assistants (TAs) working towards HLTA status will find the guide invaluable in developing knowledge of how other frameworks that support the development
