Edge of the Light: Healing through my Seven Divine Powers ,Diddle-Lee-Anne,2023-02-09 Growing up on a farm in Kentucky I know the meaning of a hard day s work As the sun was setting we could hear Mom ringing the dinner bell With a country meal on the table Dad began to say the blessings Believing life was simple I had no idea of the turmoil ahead of me After high school I soon married and my life changed forever as the beatings began And within a few years we had two little girls I turned to the church for help but they told me to turn the other cheek My family could not help me financially With no one to turn to I fell into the darkness So I filed for a divorce One day the girls father took them for a weekend visit but ended up kidnapping them for three years I prayed every day for my children s safety Finding my girls was by the grace of God We suffer with an emotional handicap but because of our strong faith in God we all now have wonderful lives And I hope my book will touch many lives covering issues such as bullying human trafficking women s rights and spousal abuse to name a few Writing Edge of the Light has given me a chance to continue to heal Each chapter is inspired by one of the seven divine powers The edge is a most divine place to be it is structured by the hand of God There you will be comforted and healed Never lose hope for the darkness is short lived but the Light shines forever I can now ring my bell of freedom **The**

Russell,1998 The story of a disintegrating marriage in the backwoods of Vermont The problems begins when Alice the wife has an affair with a friend s husband A first novel **Lily Whites of Steel** Lindsay Evelyn Hamilton,2013-12 Born into the flaming trenches of a true spiritual hell Lacey Hart spends her impoverished childhood lost in the strange shadow world between heaven and the demonic underworld in her senses She uses religion to mold herself into The Perfect Daughter so that she might evade her disturbed mother s malevolence Lacey is a demure child whose primrose sweetness and white laced

stoicism hearken back to the puritanical era times when bewitchment infiltrated even the purest breath of beauty In school she is an idiot savant and she believes herself to be haunted by the devil But outside the physical emotional and sexual torture chamber of her home Lacey rarely ruffles feathers Then she turns eighteen Her sexuality which she has always felt had its roots in evil blooms like an overripe fruit from the center of her soul Around the same time Lacey and her best friend Sabrina uncover the gift that has both defined and isolated them all their lives intuition Emerging from the cocoon of their silence into awareness the two friends find themselves also immersed in the dark side of magic It is on this spiritual cusp between heaven and hell that they experience the heights of ecstasy but drift inevitably toward the dredges of humanity on the outskirts of life Like twinned flames Lacey and Sabrina embark upon the bohemian magical mystery tour of their twenties with the quixotic candor and unexpected bravery of the truly eccentric Then grave illness strikes unplanned pregnancy arises and they learn the power of true love to bloom one s spirit into the oneness with all things that is true freedom The story of two women who dare to submerge themselves completely into any given moment Lily Whites of Steel is a fearless exploration of the thin line between freedom and destruction dogma and authentic mysticism and perhaps most hauntingly of all truth and madness
