Database ,1999 Guide to Psychological Assessment with Hispanics Lorraine T. Benuto,2012-09-19 This book focuses on diversity culture and ethnicity as they relate to psychological assessment of Hispanics It is a how to guide for clinicians researchers and instructors working with Hispanic clients Each chapter contains an overview of cultural considerations needed for assessing the Hispanic client followed by a specific exploration of the assessment measures available and the research that has been conducted on these measures with Hispanic participants An exploration of the strengths and limitations of each assessment measure is included Considering that ethnocultural minority individuals who are of Hispanic Latino origin make up the largest ethnocultural minority group in the United States guidelines for working with this population are a must Given that a large subset of this percentage is composed of immigrants many of whom do not speak English or who have learned English as a second language special considerations for effective psychological assessment are necessary This book fills a gap in the scientific literature by consolidating the research on psychological assessment with Hispanic samples into one comprehensive volume and providing simple recommendations for the psychological assessment of Hispanic clients An exploration of the general psychological assessment domains e g personality intelligence is included with references to research on the major assessment measures used in the field A more specific exploration of psychodiagnostic assessment measures follows including the assessment of mood disorders anxiety disorders sexual dysfunction psychosis etc Several chapters are dedicated to specialized assessment including neuropsychological assessment forensic assessment and school based assessment overall creating the most comprehensive up to date research based compendium of psychological

assessment measures for use with Hispanic clients **City Editor and Reporter** ,1922 Catalog of Copyright Entries.
Part 1. [B] Group 2. Pamphlets, Etc. New Series Library of Congress. Copyright Office,1929 Fighting for the First
Amendment Corydon B. Dunham,1997-09-30 Here is an inside look at how a Congressional Committee supported by the
Nixon White House sought to establish control over broadcast news by investigating editorial news judgment Frank Stanton
legendary President of CBS refused to produce outtakes from the award winning documentary The Selling of the Pentagon
subpoenaed by the Committee in an attempt to condemn the program and CBS The Committee voted to hold Stanton and
CBS in contempt and the House of Representatives held a full debate on its power to investigate and control broadcast news
Had Stanton not taken up the fight he describes to gain First Amendment protection broadcast news would have been shaped
by Congressional hearings and intimidation Will new electronic media publishers resist such government efforts on the
Information Superhighway Fighting for the First Amendment can serve as a model for that struggle Finally Stanton s story is
told in his own words in this extraordinary account of his fight to secure First Amendment freedom for the news media This
remarkable book examines the ongoing conflict between media and government and dismisses the theory that press
regulation by a government agency is desirable CBS s fight over The Selling of the Pentagon clearly illustrates how
government interference can keep vital information from the public Broadcast news history shows that press regulations are
not benign despite government claims and once they are in place neither great resources nor the urgent need for truth may
fully remove them As public opinion polls show increasing support for such regulations Stanton s story serves as a timely
reminder of the need for a press free of government interference as print cable broadcast and satellite news move onto the
