Butkevich,2010-12-30 How does an engineer by education and heart turn into a sales and marketing person who eventually  
writes a cook book as he heads into retirement I was an engineer that eventually steered my career into sales and marketing  
This had me traveling all over the country and eating and entertaining in some of the finest restaurants this Country has to  
offer I actually got paid for eating great meals in some of the best restaurants in the United States I never thought or even  
dreamed of cooking until I became unemployed many years later This is when I started watching Rachael Giada and the other  
food network shows I was able to find my new passion for cooking I started to embellish upon those same recipes and  
enhanced them even more I got more ideas while eating in some of the local restaurants in Massachusetts I tried to cook  
some of those dishes I also got some recipes and ideas from talking to friends who also enjoy good food and cooking I started

to bring some of my meals to work for my friends to try They have been the ones that encouraged me to write this cook book Every one of the meals that I brought in was given outstanding reviews I only hope that you will like these easy tasty recipes and enjoy them as much as we have Remember most of these can be cooked in less than a half hour and in most cases all of these recipes include the prep time for that half hour      **COOKING LIGHT Fast & Easy Recipes** The Editors of Cooking Light,2017-06-23 Fast food gets a bad rap It usually means greasy burgers milk shakes and seriously salty fries foods which offer little dietary benedit But healthy food takes too long to prepare right Enter Fast Easy Recipes the healthy and oh so tasty alternative to fast food This comprehensive book has deliciously simple recipes that can be made in 30 minutes or less using fresh nourishing ingredients      **Kitchen Ideas** ,1957      **Mrs. Anna J.
