Procrastination: How To Eliminate Procrastination And Be Disciplined, Stop Wasting Your Time And Be A Productive Person For Life Tom Norman,2015-02-03 Procrastination How To Eliminate Procrastination And Be Disciplined Stop Wasting Your Time And Be A Productive Person For Life This book contains steps and strategies which aim to help a person eliminate habits leading to procrastination It also tackles when and how procrastination starts It mentions situations habits and choices made early on that are clear signs to becoming a procrastinator Included in the third chapter is a set of questions involving

daily activities Read it and see if you often find yourself in such situations Admit it or not the types of procrastinators mentioned here are all too familiar to you See what type of procrastinator are you Often people ask themselves Why do I procrastinate when there s enough time given to finish the task or project You ll be surprised to know why people procrastinate to some it s a form of escape to other s it involves fear Read on and see where your procrastination habits come from Lastly the advices and to do list found in the later chapter aims to help people overcome their procrastinating habits and improve their life Remember that nothing happens overnight so take small steps and make it part of your daily routine Don t worry The first step every procrastinator has to make is to admit that they are one and that they need help The acceptance and the willingness to change are key factors to make things work This book doesn t aim to make you feel bad instead it wants to help you overcome procrastination to encourage you to be more productive and positive in life Take time reading the chapters enjoy and do implement them Start with small changes which will change to your way of life

Procrastination in its Simplest Form Procrastination is known as avoidance behavior Tasks and responsibilities are postponed Things that need attention are put on hold Procrastinators delay the action needed to accomplish their tasks They wait until the last minute before they start or do something As a result there are times when they fail to meet deadlines or they submit late They will always delay what can be done at present and choose to do it later It starts early unconsciously during a one s childhood Try to recall how your studying habits was back then Do you often think that there s more time only to realize that you have underestimated time and end up cramming Regardless of the importance of a task you always take it lightly and deal with it at a later time Try looking at your home is it organized or is it in chaos Do you have difficulty putting things back to where you took them How does your closet look like Are the clothes neatly folded or is it all mixed up There is a good chance that you have said the words later more often than you should Maybe it s time to analyze such habits and patterns seriously They might be signs all along that procrastination has been negatively affecting your life Don t procrastinate in changing your habits Now is the best time to put things in order Here Is A Preview Of What You ll Learn Procrastination in its Simplest Form How it Develops Procrastinator Quiz What Type of Procrastinator Are You Why People Procrastinate Chain effect Say Goodbye to the Bad Habit Accountability Partner Much much more

**Simple Living: Simplify Your Life:**

**De-clutter Your Home, Be More Productive, Remove Stress From Your Life and Getting Things Done** Tom Norman, 2016-03-11 Simple Living Simplify Your Life De clutter Your Home Be More Productive Remove Stress From Your Life and Getting Things Done This book contains proven steps and strategies on how to on how to simplify your life through clutter and stress management In this book you will find effective strategies to achieve a clutter and stress free life As you go from chapter to chapter you will gain more understanding about the complications of your life and what causes them This book will teach you how to avoid too much work and obligations as well as deal with personal anxieties and common problems at home Here Is A Preview Of What You ll Learn Identifying the Causes of Problems in Life Top 10 Tips to Eliminate

Stress in Life Top 12 Tips for Productivity Home De Cluttering Top 5 Clutter Prevention Methods Simple Living Much much more Identifying the Causes of Problems in Life De cluttering your house is not easy and so is simplifying your life In the following chapters you will find out new habits to form and new methods to learn All of which are aimed to help you set your life free from clutter and start living simply These strategies are somehow difficult but doable But in order to really achieve your goal you have to confront the causes of clutter in your life There is more to the problem than the mere presence or absence of clutter Clutter has a beginning it doesn't simply pop out from nothing If everyone in your household tosses back packs handbags briefcases and coats on the sofa organizing all those stuff today isn't going to prevent them to be in the same place tomorrow After twenty four hours the clutter will be back The given example shows you how clutter repeats itself every single day even if it's been taken care of the previous day In this case the cause of the problem could be having no designated area for each item You will learn more about designating a resting area for each of your stuff in chapter 5 So instead of simply taking care of the clutter you need to confront the root cause of the problem and find a way to solve it Below you will find some major causes of complications in life Identify which of the following examples are most related to your life Too Much To Do Sometimes you end up with so many obligations because you don't know how to say no In addition you are unrealistic about your deadlines in making goals Unable to Make Decisions When you delay on deciding how to solve a problem the problem will take on a life of its own and grow bigger
