**Ex-Isle** Peter Clines, 2016-02-02 It is an easy thing to rule by fear It's been years since the tidal wave of ex humans washed over the world Since then thanks to St George and his fellow heroes the community known as the Mount has been the last known outpost of safety sanity and freedom left to humanity But even for the Mount survival still balances on a razor's edge and after a disaster decimates the town's food supply the heroes must make a risky gamble to keep its citizens from starving And then the news arrives of a strange man made island in the middle of the Pacific An island populated not just by survivors but by people who seem to be farming raising children living people who like the heroes have somehow managed to keep the spark of civilization alive Paying this place a visit should be a simple goodwill mission but as the island reveals itself to be a sinister mirror image of what the heroes have built at the Mount the cost of their good intentions becomes dangerously high
