English Grammar For Dummies Geraldine

Woods,2001-07-15 A few years ago a magazine sponsored a contest for the comment most likely to end a conversation The winning entry I teach English grammar Just throw that line out at a party everyone around you will clam up or start saying whom Why does grammar make everyone so nervous Probably because English teachers for decades no for centuries have been making a big deal out of grammar in classrooms diagramming sentences and drilling the parts of speech clauses and verbals into students until they beg for mercy Happily you don t have to learn all those technical terms of English grammar and you certainly don t have to diagram sentences in order to speak and write correct English So rest assured English Grammar For Dummies will probably never make your English teacher s top ten list of must read books because you won t have to diagram a single sentence What you will discover are fun and easy strategies that can help you when you re faced with such grammatical dilemmas as the choice between I and me had gone and went and who and whom With English Grammar For Dummies you won t have to memorize a long list of meaningless rules well maybe a couple in the punctuation chapter because when you understand the reason for a particular word choice you ll pick the correct word automatically English Grammar For Dummies covers many other topics as well such as the following Verbs adjectives and adverbs oh my Preposition propositions and pronoun pronouncements Punctuation The lowdown on periods commas colons and all those other squiggly marks Possession It s nine tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences like this one Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations such as writing a paper for school giving a presentation to your company s big wigs or communicating effectively with your family You will not only gain the confidence in knowing you re speaking or writing well but you ll also make a good impression on those around you
