*Getting it Done* Karin Chenoweth, Christina Theokas, 2011 *Getting It Done* describes in clear and helpful detail what leaders of successful high poverty and high minority schools have done to promote and sustain student achievement It follows two celebrated books by Karin Chenoweth *It s Being Done* which established that the work of educating all children is possible and *How It s Being Done* which examined the structures and processes necessary to support academic success *Getting It Done* turns to the crucial issue of school leadership exploring how school leaders have promoted unprecedented levels of school and student achievement A book that focuses on real leaders and on the knowledge and skills that they have employed on behalf of heightened achievement *Getting It Done* will be essential reading for school leaders and for all who believe that a successful education can be attained by all students

*Getting it Done* Karin Chenoweth, Christina Theokas, 2011 *Getting It Done* describes in clear and helpful detail what leaders of successful high poverty and high minority schools have done to promote and sustain student achievement It follows two celebrated books by Karin Chenoweth *It s Being Done* which established that the work of educating all children is possible and *How It s Being Done* which examined the structures and processes necessary to support academic success *Getting It Done* turns to the crucial issue of school leadership exploring how school leaders have promoted unprecedented levels of school and student achievement A book that focuses on real leaders and on the knowledge and skills that they have employed on behalf of heightened achievement *Getting It Done* will be essential reading for school leaders and for all who believe that a successful education can be attained by all students *Getting It Done* makes me more certain than ever that an important way forward for American education is to study what our best school leaders do and to use what we learn to improve professional development for current and future school principals Chenoweth and Theokas show that there are indeed lessons to be harvested and passed along Improving school leadership is an achievable goal that will advance both equity and excellence in the nation s educational outcomes Let s get it done From the Foreword by Ronald F Ferguson faculty director Achievement Gap Initiative Harvard University With an astonishing combination of detailed evidence and nuanced insight *Getting It Done* provides a blueprint for leaders of our most challenging schools There are no quick fixes or feel good stories here Chenoweth and Theokas give us simultaneous doses of encouragement and challenge letting us know that academic excellence is possible in a high poverty school while being candid about the difficulties involved Principals should read this book to gain a sense of hope and then study it with every staff member to apply these essential lessons Douglas B Reeves founder The Leadership and Learning Center Drawing on close to forty case studies Chenoweth and Theokas highlight essential lessons about leadership in high needs schools This is not a story about superheroes it is a compelling portrayal of experienced well prepared solution focused leaders who work with their staffs to pool knowledge and expertise on behalf of their students Michelle D Young professor University of Virginia and executive director University Council for Educational Administration This book tackles a most crucial question

What is different about the leadership in successful schools for children of poverty It goes a long way toward unpacking the black box of leadership that matters Charles M Payne Frank P Hixon Professor University of Chicago Karin Chenoweth is writer in residence at The Education Trust Christina Theokas is director of research at The Education Trust

**Schools That Succeed** Karin Chenoweth,2020-01-15 Informed by years of research and on the ground reporting Schools That Succeed is Karin Chenoweth s most inspiring and compelling book yet an essential read for educators who seek to break the stubborn connection between academic achievement and socioeconomic status Chenoweth draws on her decade long journey into neighborhood schools where low income students and students of color are learning at unexpectedly high levels to reveal a key ingredient to their success in one way or another their leaders have confronted the traditional ways that schools are organized and have adopted new systems all focused on improvement In vivid profiles of once embattled schools Chenoweth shows how school leaders doggedly and patiently reorganized internal systems in order to prioritize teaching and learning resulting in improved outcomes that in many cases exceeded statewide averages From how they use time to how they use money schools that succeed combine a deep belief in the capacity of their students to achieve with deliberate systems focused on student needs As a result they create vibrant places where teachers want to teach and students want to learn

**Districts That Succeed** Karin Chenoweth,2021-05-25 In Districts That Succeed long time education writer Karin Chenoweth turns her attention from effective schools to effective districts Leveraging new cutting edge national research on district performance as well as in depth reporting Chenoweth profiles five districts that have successfully broken the correlation between race poverty and achievement Focusing on high performing or rapidly improving districts that serve children of color and children from low income backgrounds the book explores the common elements that have led to the districts successes including leadership processes and systems Districts That Succeed reveals that helping more students achieve is not a matter of adopting a program or practice Rather it requires developing a district wide culture where all adults feel responsible for the academic well being of students and adopt systems and processes that support that culture Chenoweth explores how districts from urban Chicago Illinois to suburban Seaford Delaware have organized themselves to look at data to guide improvement Her research highlights the essential role of districts in closing achievement gaps and illustrates how successful outliers can serve as resources for other districts With important lessons for district leaders and policy makers alike Chenoweth offers the hard won wisdom of educators who understand the power of schools to as one superintendent says change the path of poverty
