2017 MTEL Early Childhood (02) Sharon A. Wynne, 2017-06-30 XAMonline's updated edition of the MTEL Early Childhood study guide will help you pass your teacher certification exam and advance your career. Aligned with MTEL standards, our study guide provides a comprehensive review of all four domains including child development, children's literature, and the writing process. Core knowledge in content areas including Math, History, and Social Science, Science and Technology, Engineering, and integration of knowledge and understanding. We give you a thorough review of all competencies, skills, and focus statements tested on the MTEL Early Childhood exam. Additionally, there are sample open-ended questions with examples of answers that would receive each score in the rubric. After each response, there is a detailed explanation of why the essay received the score that it did, which will aid the test taker in creating a superior essay. Our MTEL Early Childhood study guide drills all the way down to the focus statement level, providing detailed examples of the range, type, and level of content that appear on the test. The book includes one full-length multiple-choice practice test to help you test your knowledge, understand how the exam is weighted, and identify skills and competencies you need to focus on. Our detailed answer explanations reference related skills in the book, allowing you to identify your strengths and weaknesses and interact with the content effectively.

Because Teaching Matters Marleen C. Pugach, 2023-12-12 Revised and updated guide for prospective teachers with increased detail about the realities of teaching in a changing demographic society post-pandemic. Life, societal changes brought about by technology, and the current political moment in education. Real challenges. Real choices. And very real consequences. That's what today's classrooms are about. That's why Marleen Pugach's *Because Teaching Matters* Third Edition depicts today's classrooms as they truly are, while highlighting the enormous impact teachers have on students' lives. The book is organized around five professional commitments: learning from multiple sources of knowledge; using the curriculum responsibly; practicing equity-minded teaching; meeting the needs of individual students in the context of the classroom and school community; and contributing actively to the profession. The third edition focuses on the current landscape and challenges of supporting multi-racial, multi-ethnic, multi-lingual, and multi-ability classrooms across socio-economic levels and the relationships among students, families, communities, and educators. The latest academic approaches for teaching students who have disabilities; leveraging modern classroom technology; the role of legislation and funding; and updates on the current context of teaching and teacher preparation. New post-pandemic societal and educational contexts. Classroom and school reflections on practice written by current teachers and teacher leaders in real classrooms and real schools, showing authentic best practices in action. Ideal for Foundations of Education and Introduction to Teaching courses designed to provide preservice teachers with an overview of the profession. *Because Teaching Matters* Third Edition tells the story of today's complex classrooms. It also drives home that though the decision to teach is a serious one, it is one that can be extremely rewarding.
