*Father Fetish* Mark Gaskill,2015-12-04 A Priest a Murder and a Shocking Revelation Father Anthony isn't a perfect priest He's ordained in the Roman Catholic priesthood but he's as human as the rest of us He smokes he drinks and he struggles with questions of faith His difficulties aren't helped by the fact that his sister has instigated a one billion dollar lawsuit against the Catholic Church Nevertheless he tries to do the work he's been called to Father Anthony is a gifted psychologist a professor at Georgetown University and a renowned researcher and expert on sexual fetishes and bizarre human behavior He's famous in his field and that's why the DC police call on him for help when they encounter a murder with disturbing features Father Anthony and his crew of loyal graduate students venture into the DC underworld where their investigation uncovers a cult of murderous fetishists but these aren't just any degenerates they're powerful people politically well connected wealthy and dangerous Something is fishy about this case and it's up to Father Anthony and his students to figure out what's really going on His skill and loyalties will be tested as he dives into a world that is fascinating titillating exhilarating and sometimes deadly Father Fetish Something's Fishy introduces a unique character that you'll want to see again the flawed brilliant compassionate and curious Father Anthony who shows us that by understanding the bizarre we gain insight into ourselves
