The Cheeky Mouse

A cheeky mouse lived under a house. The lady living in the house despised mice, and wanted to get rid of them all. She put mouse traps everywhere, but the mouse under the house was wise. Every day, he would take toy mice and put them in the traps. He knew the lady had poor eye sight and would be tricked. The little cheeky mouse was so proud of himself for fooling the old lady. He went about his daily business, eating all the food he could find. "Snap!" went a trap...the poor mouse had not fooled the lady after all...
