

A woman with long dark hair is shown in profile, sitting in a meditative pose. She is holding a glowing, translucent blue orb in her hands. The background is a dark, cosmic space with swirling purple and blue energy lines and a large, glowing orange ring in the upper left. The text is overlaid on the center of the image.

righting past wrongs his father committed When the lies catch up with her it s not going to be easy for a man like Tate to forgive a woman who betrayed his trust Will it be too late for them or can destiny step in once again and give them a chance at happiness LIARS LIKE US The only woman he s ever trusted is about to betray him Luke Donovan is the irresistible bad boy every woman wants and no woman can catch Until he meets Helena Montrey There s something about her reserved manner and fresh faced beauty that makes him want to commit to her Damn but he s finally fallen in love It s time to face up to past mistakes and returning to his hometown of Reunion Gap and the family he deserted is the first step After her fianc s betrayal makes her question her ability to tell an honest man from a liar Helena Montrey shies away from men Then she meets Luke Donovan Her heart wants to tell him she s the creator of a very successful greeting card line not the struggling waitress and wannabe writer he thinks she is But her brain forces her to wait until she s sure the former bad boy with an admitted penchant for the open roads and constant change is in this for keeps When the couple arrives in Reunion Gap the Donovans are waiting for them with a lot of questions and a ton of concerns How is it that a woman they ve never heard of ends up with a man who s vowed he ll never be tied down What s the woman s back story More importantly what is she hiding The truth about Helena will come out and then Luke must decide if he loves her enough to give her a second chance The Donovans aren t going to stand by and watch this heartbreak happen without getting involved After all what s family for if not to get involved
