Dystopia Janet McNulty,2013-05-08 Imagine living in a world where everything you do is controlled In the distant future the United States has been split into two regions separated by a barren wasteland this is the country of Dystopia Here the individual is discouraged freedom is an illusion food is rationed and everything you do is tracked by a chip implanted in your arm This is Dana Ginary s world At age seventeen people receive their career assignments chosen for them by a government body Forced to work at the Waste Management Plant because she was declared too individualistic Dana finds herself surrounded by death and brutality Knowing her days are numbered she looks for a way to leave the plant before she too becomes one of its casualties It is then she meets a man named George and soon finds herself caught up in a cat and mouse game between the resistance and the Dystopian government Dana finds herself faced with an agonizing choice of whom she will betray and whom she will save her friend George her parents or herself Pale Grey Barry P. Connors,2011 A sci fi noir novel set in a dystopian future about a man with nothing left to lose in a world on the edge of madness Farewell,utopia Marc C. Cancassi,2017-02-16 Farewell Utopia is a unique collection of sci fi and fantasy shorts From the metaphysical themes of H P Lovecraft and Ray Bradbury to the sometime humorous sometime sobering twists of Rod Serling It is an exercise in logic philosophy and the shape of things to come without becoming a soapbox expedition A great read for fans of current dystopian novels as well as old school literary fare for the well initiated Platformed Kelsey Josund,2021-05-08 Silicon Valley in the 2030s is not so different from today filled with vaguely sexist CEOs contested inequality politics and startups that are almost a joke After she loses her job when her startup folds and loses her home to California s annual wildfires Sara joins the latest thing an unnamed tech giant s quasi utopian community floating above the drowned land that was once Monterey Alone on the inside with a thousand mysteriously chosen strangers Sara is insulated by an all powerful corporation from the turmoil of crumbling governments and a changing climate Everyone around her seems incredibly thankful rescued from gig work and student loans and bad news but she can t find her own gratitude As she learns more about her new home she begins to see the cracks in its perfect facade She must choose between surveillance and lies from the anonymous algorithms that protect her or face a vulnerable life outside the system to which she has signed away her next five years Leaving she learns may not even be an option Survival K a Riley,2019-08-18 In the year 2043 with the nation destroyed by war seventeen year old Kress and her Conspiracy of friends embark on a dangerous cross country mission to locate and recruit other Emergents the name given to teenagers who have begun to exhibit strange evolutionary abilities Not

all Emergents are ready to accept who and what they are however and some have even started using their abilities for selfish or evil ends Now Kress has to figure out who is friend and who is foe as she risks everything to expose the government's lies and take down the tyrannical President Krug once and for all Picking up where the Resistance Trilogy leaves off the stand alone Emergents Trilogy follows Kress and her Conspiracy on a daring quest to restore democracy and truth to the country

Dystopian States of America Matthew B. Hill, 2022-09-13 *Dystopian States of America* is a crucial resource that studies the impact of dystopian works on American society including ways in which they reflect our deep and persistent fears about environmental calamities authoritarian governments invasive technologies and human weakness *Dystopian States of America* provides students and researchers with an illuminating resource for understanding the impact and relevance of dystopian and apocalyptic works in contemporary American culture Through its wide survey of dystopian works in numerous forms and genres the book encourages readers to connect with these works of fiction and understand how the catastrophically grim or disquieting worlds they portray offer insights into our own current situation In addition to providing more than 150 encyclopedia articles on a large and representative sample of dystopian apocalyptic narratives in fiction film television and video games including popular works that often escape critical inquiry *Dystopian States of America* features a suite of critical essays on five themes war pandemics totalitarianism environmental calamity and technological overreach that serve as the foundation for most dystopian worlds of the imagination These offerings complement one another enabling readers to explore dystopian conceptions of America and the world from multiple perspectives and vantage points

Genesis Code Eliza Green, 2019-02-20 The natives are watching The government is lying And Bill Taggart is asking the wrong questions For decades the colony kept the Indigenes quiet Hidden Bill's surveillance work was supposed to keep it that way But the species he's been monitoring aren't what the government claimed and the official silence goes deeper than anyone suspected Now the Indigenes are resurfacing on Exilon 5 Government records are vanishing And someone is watching his every move Two years ago Bill's wife disappeared from the colony Not missing erased No body no evidence no official explanation His search for answers is leading him into dangerous territory Where the truth about his wife and Exilon 5 converge and both could destroy everything The colony's survival depends on silence Bill's wife's survival depends on breaking it A gripping sci fi thriller about truth conspiracy and survival that will appeal to fans of *Blade Runner* and *Dark Matter* Start reading today Readers praise *Genesis Code* This future is bleak LOVED IT Sci fi fans will love this dystopian This original dystopian is immensely compelling What a fantastic dystopian novel A new twist on the alien invasion story A classic sci fi struggle with amazing characters A dystopian with likeable underdogs Yes please This dystopian novel kept me up at night This after the *Earth ends* book kept me hooked A fascinating dystopian world that I cannot wait to continue This future is so realistic I can't wait to read more I loved this Orwell-esque 1984 tale This brilliant sci fi yarn kept me guessing Post apocalyptic and dystopian without a zombie in sight
