Politics in Popular Movies John S. Nelson, 2015-10-23 Popular movies can be surprisingly smart about politics from the portentous politics of state or war to the grassroots everyday politics of family romance business church and school Politics in Popular Movies analyses the politics in many well known films across four popular genres horror war thriller and science fiction The book's aims are to appreciate specific movies and their shared forms to understand their political engagements and to provoke some insightful conversations The means are loosely related film takes that venture ambitious playful and engaging arguments on political styles encouraged by recent films Politics in Popular Movies shows how conspiracy films expose oppressive systems it explores how various thrillers prefigured American experiences of 9 11 and shaped aspects of the War on Terror how some horror films embrace new media while others use ultra violence to spur political action it argues that a popular genre is emerging to examine non linear politics of globalisation terrorism and more Finally it analyses the ways in which sci fi movies reflect populist politics from the Occupy and Tea Party movements rethink the political foundations of current societies and even remake our cultural images of the future

Teaching Film Lucy Fischer, Patrice Petro, 2012-07-27 Film studies has been a part of higher education curricula in the United States almost since the development of the medium Although the study of film is dispersed across a range of academic departments programs and scholarly organizations film studies has come to be recognized as a field in its own right In an era when teaching and scholarship are increasingly interdisciplinary film studies continues to expand and thrive attracting new scholars and fresh ideas direction and research Given the dynamism of the field experienced and beginning instructors alike need resources for bringing the study of film into the classroom This volume will help instructors conceptualize contemporary film studies in pedagogical terms The first part of the volume features essays on theory and on representation including gender race and sexuality Contributors then examine the geographies of cinema and offer practical suggestions for structuring courses on national regional and transnational film Several essays focus on interdisciplinary approaches while others describe courses designed around genre film noir the musical mode animation documentary avant garde film or the formal elements of film such as sound music and mise en scene The volume closes with a section on film and media in the digital age in which contributors discuss the opportunities and challenges presented by access to resources media convergence and technological developments in the field

Book Reports Robert Christgau, 2019-04-04 In this generous collection of book reviews and literary essays legendary Village Voice rock critic Robert Christgau showcases the passion that made him a critic his love for the written word Many selections address music from blackface minstrelsy to punk and hip hop artists from Lead Belly to
