Population Reports ,1981 Initiation Laura Wighton,2020-12-29 INITIATION is a book that was inspired by my own personal intervention free pregnancy and free birth The writing for the book began when I was 8 months pregnant and continued in a seamless way months after my sweet baby girl was born at our home in 2020 The book is about offering a new perspective on pregnancy birth and motherhood It offers an opportunity for mothers to evolve their own consciousness and in turn help evolve humanities I bring this perspective alive in the story of my own personal story and shed some light on the destructive ways societal programs limit us as women when entering into these initiations I share with you the practices I used that helped me gain a wholistic self care routine throughout my journey and the tools I used to transcend limiting beliefs and have the pregnancy and birth of my dreams This book was written to help inspire other mothers that were looking to experience higher awareness and meaning to their journey into pregnancy birth and motherhood Unhindered Childbirth Sarah Morgan Haydock,2014-01-08 Giving birth without hindrance is beautiful passionate and life changing an intense and empowering rite of passage into motherhood The wisdom we need for this journey through birth is ancestral it lives in our cells our hearts our souls It is time that we take back this power for ourselves and for our children Our bodies know birth Unhindered Childbirth is a passionate guidebook to our intuitive knowledge a template for discovering our innate birthing strength a channel to inspire a vibrant pregnancy an ecstatic childbirth and a beautiful transition into motherhood Inside this book you ll find wisdom guidance for pregnancy unhindered childbirth in depth herbal remedies for acute issues of pregnancy childbirth and postpartum postpartum wisdom from cultures around the world two stories of ecstatic unhindered unassisted births and inspiration for experiencing pregnancy and childbirth as peaceful beautiful and sacred rites of passage into motherhood Sarah Morgan Haydock is not a midwife a nurse or a doctor She is however an expert in the ways of her own body a mother of two freeborn children an herbalist and earth lover and a specialist in inspiration insight and passion Unhindered Childbirth is a work of love to inspire mothers everywhere This book although particularly written for women who choose unassisted birth relates to all mothers who desire to experience an ecstatic and passionate childbearing cycle *All the Things* Mariah Martinez,2024 My entire perspective on life shifted unexpectedly the moment I found out I was pregnant All The Things is a heartfelt and honest rollercoaster portraying both the joys struggles and everything in between of navigating pregnancy childbirth and postpartum Society is bombarded with the message that a woman s main purpose in life is to get married and have children But the reality is that parents are in a never ending comparison spiral often feeling isolated by the true realities of parenthood After having children I completely lost myself and was furious that nobody in my life prepared me for the realities of parenthood In All The Things I share my transition from

childbirth and early parenthood are some of the most transformational experiences you can ever undertake and yet so often we aren't afforded the time and space to reflect and reframe those experiences. The pressure to adjust to be ok to ignore any difficult emotions and to get on with it can be stifling. The Birth Debrief is here to help. In her work as a midwife specialising in post partum recovery and care, Illiyin facilitates birth debriefs seeking to empower women and birthing people of all backgrounds to take control of their experiences, feel seen and centred in their pregnancies and births, normalising conversations around birth trauma and healing and examining the nuances that are associated with it. Time and time again it is the lack of advocacy, autonomy, control or consent rather than the physical aspect of the birth that lingers and informs parenthood. The Birth Debrief will offer practical solutions to navigating pregnancy and transitioning into postpartum life well beyond those first six weeks.
