Escorts Escorts and Prostitutes Phillip A. Spight, Sr.,2005-04-05 I have been in the escort business for several years now

I began in the military back in 92 I was sent to Germany Bosnia Hungary and I m sure I have been to just about all fifty states I soon found out that women from other cultures are very beautiful creatures I love to meet women of other cultures They are so different Not just different in race but how they view sex as compared to American people What I mean is that sex is a recreational thing to them more than it is a moral issue I found myself always surrounded by beautiful women who enjoyed the sex life To my amazement I found that I could make money for myself and others by using these women So when I returned to the United States almost four years later I created X STA CEE ESCORTS A small escort service that I ran from my barracks using a cheap computer At every duty station that I had I did the same thing Once you get in it s hard to get out This was a very exciting and profitable business venture for me I soon found myself making more money in a week s time than the government paid me in a month This book is a compilation of what I have learned about escorts clients and the law This is the reason that I wrote this book Somebody had to do it      The Escort and the Gigolo Jack Fisher,2015-04-30 Behind the endless fantasy that is Las Vegas Shawn Stevens makes a comfortable living as John Steadman a professional gigolo and male stripper Jane Jefferies makes a similar living as Charlotte a stripper and high class escort For years they ve navigated an illicit criminal underworld run by Las Vegas s unofficial queen of vice Felicity Ramero Within this world they ve fulfilled many fantasies while maintaining the lowest possible profile But over time they have become jaded and disillusioned with this world Then on one fateful night Shawn and Jane come in a moment of reckless passion at Club Oasis the most popular club on the Strip However their passion does not go unnoticed by Felicity who just happens to be in need of a couple of patsies to take the fall for her many crimes In the face of increasing pressure from the law she plans to blackmail Shawn and Jane by having them play a part in an elaborately decadent fantasy      **The Complete Blueprint for an Escort Service** Vicky Gallas,2010-05-11 The idea is to send out sexy escorts or dancers by the hour and not for sex If opening an escort service or adult entertainment company is your plan this book will save you unimaginable trouble and avert potential disasters at every corner Do not be named in the next big escort business indictment It is really important to know who is offering the information that you follow on how to open an escort service and operate it correctly      Don't Call Me Madam!
