**Healthy Eating, Healthy World** J. Morris Hicks, 2011-10-04 Imagine that the New York Times tomorrow released some amazing news A health treatment has been discovered that literally cures most forms of heart disease But not just that This treatment has a dramatic impact on most of the diseases Westerners face including cancer obesity autoimmune diseases diabetes osteoporosis Alzheimer s and many many others And this treatment is so inexpensive to administer that two thirds of the medical establishment can be shut down as no longer serving any useful function It s really too much to believe isn t it But there s more This treatment has miraculous implications for the environment By applying this treatment we can eliminate the largest source of global warming and dramatically reduce the waste that is polluting our water supply We ll also dramatically improve the health and animal population of our oceans and seas And there s more By applying this treatment we ll dramatically increase the supply of arable land lowering the cost food and allowing us to feed everyone on this planet Starvation can become a thing of the past And one last thing This treatment also has enormous moral implications allowing us to eliminate almost all of the pain and suffering we are inflicting on the animals most of which is hidden away from view but is morally repulsive to anyone exposed to this suffering Now what if I told you that we don t have to wait for tomorrow s New York Times that this treatment has been found and that the amount of scientific data supporting the claims I just made is overwhelming The miracle treatment is simple It s eating a whole grain plant based diet Skeptical I m not surprised But by the end of this book you ll be exposed to the overwhelming amount of evidence that supports every claim made above You ll also get to hear the counterarguments made by skeptics and you ll get

to decide for yourself whether these claims are true It s my hope that by the end of this book you ll be convinced and join our movement You may just save your life and the planet in the bargain This revolutionary book is *Healthy Eating Healthy World Unleashing the Power of Plant based Nutrition* by J Morris Hicks and it is the book that finally tackles all compelling reasons for adopting a plant based diet from the environment to solving the world s hunger crisis Additionally T Colin Campbell acclaimed author of the bestselling book *The China Study* provides a riveting foreword to *Healthy Eating Healthy World* After reading this book it ll be nearly impossible to ignore the truth people were not meant to eat animals or animal products and the time has come to stop

*Love and Survival* Dean Ornish,2001 Dr Dean Ornish transformed the treatment of heart disease when he proved that it could be reversed through diet and exercise In this book he shows that the real

epidemic is an emotional and spiritual heart disease the profound sense of loneliness isolation alienation and depression in our society and the most powerful factor in the healing process are feelings of love connectedness and spiritual transformation He proves that the healing power of love and intimacy is more important than any other factor in medicine not diet smoking exercise stress genetics drugs or surgery have a greater impact on our quality of life incidence of illness and premature death from all causes Dr Ornish writes both from his clinical research and from his own struggles for intimacy and communication sharing the techniques and strategies he has found effective in his personal life Love and Survival Dean Ornish,2011-11-15 The Medical Basis for the Healing Power of Intimacy We all know that intimacy improves the quality of our lives Yet most people don t realize how much it can increase the quality of our lives our survival In this New York Timesworld renowned physician Dean Ornish M D writes I am not aware of any other factor in medicine that has a greater impact on our survival than the healing power of love and intimacy Not diet not smoking not exercise not stress not genetics not drugs not surgery He reveals that the real epidemic in modern culture is not only physical heart disease but also what he calls spiritual heart disease loneliness isolation alienation and depression He shows how the very defenses that we think protect us from emotional pain are often the same ones that actually heighten our pain and threaten our survival Dr Ornish outlines eight pathways to intimacy and healing that have made a profound difference in his life and in the life of millions of others in turning sadness into happiness suffering into joy **Reclaim Your Health** David J. Frähm,Anne E. Frähm,1998 readers will discover how others have fought back against the same diseases they re facing now And they will learn as others who have reclaimed their health have how to stimulate the body s native healing and immune systems **Connection** Michael Lingard,2017-02-14 Back in the time of Copernicus most would have thought it impossible if you said that you were going to convince everyone that the Earth revolved around the Sun rather than the other way around but it did eventually happen So the idea of convincing everyone that they are not separate from nature humans are not the center of the universe but rather just one part of nature s web does not seem too far fetched either We must understand that we are all connected together and to the whole dynamic complex living entity we call earth and even to the cosmos **A Wellness Way of Life** Gwen Robbins,Debbie Powers,Sharon Burgess,1994 This practical how to book gives students the information they need to make decisions affecting their well being emphasizing self responsibility and lifestyle management Vegetarian Times ,1997-05 To do what no other magazine does Deliver simple delicious food plus expert health and lifestyle information that s exclusively vegetarian but wrapped in a fresh stylish mainstream package that s inviting to all Because while vegetarians are a great vital passionate niche their healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans VT s goal To embrace both **Love and Survival** Dean Ornish,2016-05-10 The Medical Basis for the Healing Power of Intimacy We all know that intimacy improves the quality of our lives Yet most people don t realize how much it can increase the quality of our lives our survival In this New York Timesworld renowned physician Dean Ornish M D

writes I am not aware of any other factor in medicine that has a greater impact on our survival than the healing power of love and intimacy Not diet not smoking not exercise not stress not genetics not drugs not surgery He reveals that the real epidemic in modern culture is not only physical heart disease but also what he calls spiritual heart disease loneliness isolation alienation and depression He shows how the very defenses that we think protect us from emotional pain are often the same ones that actually heighten our pain and threaten our survival Dr Ornish outlines eight pathways to intimacy and healing that have made a profound difference in his life and in the life of millions of others in turning sadness into happiness suffering into joy     Forthcoming Books Rose Arny,2003
