Dr John Coleman The Committee Of 300:

Conspirators' Hierarchy John Coleman, 1992 Can you imagine an all powerful group that knows no national boundaries above the laws of all countries one that controls every aspect of politics religion commerce and industry banking insurance mining the drug trade the petroleum industry a group answerable to no one but its members To the vast majority of us such a group would appear to be beyond the realms of possibilities and capabilities of any given organization If that is what you believe then you are in the majority The conception of a secret elite group exercising control of every aspect of our lives is beyond our comprehension Americans are prone to say It can t happen here our Constitution forbids it That there is such a body called The committee of 300 is graphically told in this book When most people attempt to address our problems they speak or write about they this book tells precisely who they are and what They have planned for our future how they have been at war with the American nation for 50 years a war which we are on the brink of losing what methods They use and exactly how they have brainwashed us If you are Puzzled and perplexed as to why things are occurring that we as a nation don t like yet seem powerless to prevent why it is that the United States always seems to back the wrong horse Why the united states is in a depression from which it will not emerge why our former social and moral values have been turned aside and seemingly buried if you are confused by the many conspiracy theories the conSPirators hierarchy the committee of 300 will clearly establish that these conditions have been deliberately created to bring us to our knees Once you have read the applying truths contained in this book understanding past and present political economic social and religious events will no longer be a problem This powerful account of the forces ranged against the United States and indeed the entire free world cannot be ignored *Conspirators' Hierarchy* John Coleman, 1997 *The Antichrist's New World Order* Terry L.
