GPC (GlyceroPhosphoCholine) Mind-Body Power for Active Living and Healthy Aging The Vital Nutrient for Survival ,

Had it Coming Robyn Doolittle,2021-08-24 Had It Coming is not a diatribe or manifesto but an informed look at how attitudes around sexual behavior have changed and still need to change As a culture we aren't very good at having nuanced complicated discussions Doolittle writes in her introduction The public space is not a safe venue to talk about controversial subjects Social media has seen to that I've come to embrace the complexities and messiness that comes with those tough conversations Doolittle brings a personal voice to what has been a turning point for most women the MeToo movement and its aftermath The world is now increasingly aware of the pervasiveness of rape culture in which powerful men got away with sexual assault and harassment for years but Doolittle looks beyond specific cases to the big picture The issue of consent figures largely not only is the public confused about what it means but an astounding number of legal authorities are too

Surviving Brain Damage After Assault Barbara A. Wilson,Samira Kashinath Dhamapurkar,Anita Rose,2016-02-02 At the age of twenty eight Gary was assaulted by a gang with baseball bats and a hammer resulting in several skull fractures and severe brain damage For nineteen months he had little awareness of his surroundings before he started to show some recovery This inspirational book documents his exceptional journey The book presents a series of interviews with Gary his mother Wendie who never gave up the medical team who initially treated him and the therapists who worked with him over a period of three years Through their testimony we learn about the devastating effects which can follow a serious assault to the head and the long process of recovery over several years With specialist rehabilitation and continuing family support Gary has exceeded expectations and apart from some minor physical problems he is now a normal young man Surviving Brain Damage after Assault shows that contrary to popular belief considerable gains can be made by people who have experienced a long period of reduced consciousness The book will be of great value to all professionals working in rehabilitation psychologists speech and language therapists occupational therapists social workers and rehabilitation doctors and to people who have sustained a brain injury and their families **Cumulated Index Medicus** ,1967 ChemoBrain Ellen Clegg,2010-08-05 The brain fog that afflicts many people who have undergone standard or high dose chemotherapy is known as chemobrain In this clear concise guide for cancer patients and their families a journalist provides the latest information on this much discussed but poorly understood side effect **Medical-surgical Nursing** ,2007 **Empowering Song** André de Quadros,Emilie Amrein,2022-07-11 Empowering Song Music Education from the Margins weaves together subversive pedagogy and theories of resistance with community music education and choral music inspiring professionals to revisit and reconsider their pedagogical practices and approaches The authors unique insight into some of the most marginalized and justice deprived contexts in the world prisons refugee shelters detention facilities and migrant encampments breeds evocative and compassionate enquiry laying the theoretical groundwork for pedagogical practices while detailing the many

facets of equity centered musical leadership Presenting an orientation to healing informed by theory Empowering Song explores the ways in which music education might take on the challenging questions of cultural responsiveness within the context of justice seeking to change not only how choral music is led but also our conceptions of why it should matter to all
