Downtown My Manhattan:

Downtown Pete Hamill, 2025-04-08 In this beautifully written sharply observed and heartfelt guide to his hometown New York Times legendary New York City journalist Pete Hamill leads us on an unforgettable journey through the city he loves Walking the Manhattan streets he loves from Times Square to the island s southern tip Pete Hamill combines a moving memoir of his own days and nights in new York with a lively and revealing history of the city s most enduring places and people Pete Hamill lovingly captures the vibrant sights sounds and smells of Manhattan from Battery Park to midtown the most important most exciting stretch of real estate in the world New York Daily News **My City, My New York** Jeryl Brunner, 2011-10-04 What do famous people love to do during their free time in the Big Apple Like all New Yorkers even the well known among them have cherished rituals that connect them to their city in a unique way favorite restaurants delis museums parks galleries landmarks haunts and hideaways For one resident it may be watching tango dancers on Saturday nights in Central Park for another it s riding a bike over the Brooklyn Bridge to get a slice of Grimaldi s pepperoni pizza and a view of the Manhattan skyline from across the East River Perhaps it entails choosing from the many varieties of bread at Rock Hill Bake House in the Union Square Greenmarket or simply walking across 46th Street and ending up at the great Broadway hangout Angus McIndoe In a refreshing step beyond the usual travel guides and tourist listings My City My New York quotes VIPs and gives readers something truly unique a chance to experience Manhattan the way its most notable luminary residents do The activities and establishments included are diverse often eclectic and most importantly nonexclusive you don t need to be a celebrity to enjoy them While offering new and creative possibilities for exploration My City New York is also a love letter to the Big Apple and will touch even the most jaded New Yorkers Celebrities include Matthew Broderick Woody Allen Bette Midler Joan Rivers Donald Trump Chris Noth Mayor Michael Bloomberg Alex Rodriguez **Forever My Love** M.W. Dacosta, 2014-05-12 Tony and Maureen were in love both in college they dream of the day that they will marry and live happily ever after Robin Maureens girl friend a woman with a mysterious knowledge Beautiful and devious she has her sights set on Tony and there was nothing or no one who was going to stop her Two people who are ripped apart all their dreams shattered and their hearts broken in many pieces Will love ever be able to put the pieces together again Enter the world of Tony and Maureen and see firsthand what the power of love can do True love has the power to carry you through the darkest of times and reunite broken hearts forever Liberty Street Peter Josyph, 2012-08-20 When writer and feature filmmaker Peter Josyph spent a year and a half combing the historic streets and debris blasted buildings of Ground Zero in Lower Manhattan talking with workers and residents capturing its struggles and transformations he became what he calls a citizen artist personally shooting over two hundred hours of footage for his film Liberty Street Alive at Ground Zero and writing this haunting eyewitness account of the extraordinary world that was created on September 11 and has vanished now forever When the Ground Zero neighborhood was misinformed and marginalized by

city and federal agencies it was left to its own devices in coping with round the clock deconstruction toxic infestation corrupt landlords reluctant insurers and simple access to the place they were proud and cursed to call their home But loyal Downtowners who ran for their lives from the collapse of the Twin Towers returned with a resolve to restore their world to order Exploring this dust driven world of collateral damage Josyph documented their struggle at a time when there were few there to witness it and bans against photography made him a spy in the house of destruction In what the New York Times called a personal impressionistic almost poetic account Josyph finds in each detail a new way to envision that terrible morning and he challenges the more simplistic mainstream views of Ground Zero with vivid portraits of brave exceptional and complex New Yorkers who made a place for themselves in that tragic and transitory neighborhood This expanded edition includes a new chapter and additional photographs *Pavement and Potholes* Lou Orfanella, 2007 New York City Katrin B.
