Do Less, Achieve More Chin-Ning Chu, 2000-10-17 For anyone tired of chasing ever elusive desires of doing more only to find that more needs doing and of making more money only to need more money best selling author Chin Ning Chu shows you that life was meant to be easy if you know the secrets From the best selling author of The Working Woman's Art of War comes an important and timely book about the side of success that most don t know about e power of selective yielding of surrendering to a successful destiny and of getting what you want by not wanting it too much Using Carl Jung s famous parable of the rainmaker as a framework Chin Ning Chu explains universal truths about the nature of effort success will power detachment creating luck and more Illustrating the four secrets of the rainmaker with rich anecdotes from history personal experience and popular culture Ching Ning explains how to create success by attaining inner harmony how to partner effort with ease how to make peace with time and how to stop reacting and start restfully controlling the events of vour life Do Less, Achieve More Chin-Ning Chu, 1998-09-09 The Secrets of the Rainmaker When the Rainmaker arrived in the parched village he set up his tent and disappeared inside for four days On the fifth day the rain started to fall The people of the village asked what he did to accomplish this miracle The Rainmaker replied I have done nothing And so the story begins In our modern age we seem the opposite of the Rainmaker We busy ourselves to the point of exhaustion give up sleep to do even more rush here rush there go everywhere and get nowhere We believe that an enormous effort is required to achieve success and if we fail it is because we did not work hard enough The Rainmaker however teaches us that the most successful people do not necessarily work harder In fact they are often more at ease than the people around them The truth is that success comes to those who find a balance between effort and ease striving and compromise For those who know the Rainmaker's secrets prosperity seems more like the result of good luck or being in the right place at the right time the pieces just come together Using simple metaphors and exercises and offering immediate applications Chin Ning Chu explains how you can discover the Rainmaker's power of doing less and achieving more She teaches the arts of fine tuning and focusing your actions putting your mind at ease and seeing the fun in the game of life and discovering the unlimited miracle producing power of giving in to and working with rather than fighting against your successful destiny The Business of **Relationships** Tom Hagerty, 2023-10-16 Can a quote from a business executive taken out of its original context be instructive in our most personal relationships Tom Hagerty thinks so and he has written over fifty essays using these leaders quotes as the foundation for developing better perspective and resilience greater trust and commitment a sense of risk and priority and other qualities necessary for vibrant connections with our families and friends Hagerty writes for everyone who wants to be better at the tough stuff of being in relationships that really matter Some of the quotes he uses to create an actionable plan for improvement are Remembering that I ll be dead soon is the most important tool I ve ever encountered to help me make the big choices in life Steve Jobs Each one of us is more than the worst thing we have ever done Sheryl
