What the Bible Really Tells Us

Adrian Benard,2017-05-17 So many of us grow up being constantly reminded about an all forgiving merciful and beneficent deity All throughout life it can even be drummed into us that we cannot live happy purposeful lives without a heavenly father who protects us and grants our wishes through prayer And if things dont go according to plan then we are simply told that God works in mysterious ways But what if we have more questions What if these things we are being told taught and even sold just dont live up to expectation What the Bible Really Tells Us looks to the very source of many of these doctrines and teachings about divinity and human nature the Judeo Christian Bible in order to unveil some of the reasons why the same questions about God his nature and biblical history often reveal different and sometimes inconsistent

or even contradictory answers Exploring issues related to God's nature such as his character qualities and attributes as well as investigating biblical events and figures like Adam and Eve and creation Noah and the flood and Abraham and his chosen lineage It asks us not only to think critically about the factual discrepancies and oddities but also to question why this biblical God or gods as it may be is in fact so similar to ourselves The Bible was written thousands and thousands of years ago but everybody has been conditioned and told to believe it regardless of the facts and sometimes even regardless of the often contradictory and inconsistent passages in the Bible itself Faced with an idiosyncratic God and an incongruous book we can study *What the Bible Really Tells Us* and confront a challenging thought Did God create us or did we create him [Wiersbe Bible Commentary 2 Vol Set](#) Warren W. Wiersbe, 2023-06-09 The Wiersbe Bible Commentary is a must have for believers wanting a deeper and practical resource for studying God's Word and includes The complete Old and New Testament Genesis to Revelation Section by section commentary Biblical charts Book introductions Extended notes References Dr Warren Wiersbe is one of the most beloved Bible teachers with over 40 years of pastoral experience His bestselling Bible Commentaries are one of the most trustworthy resources used by pastors Bible teachers and persons interested in knowing more about God's Word His easy to read and insightful explanations provide a comprehensive understanding of the Bible
