La Gaviota a Spanish Novel (Classic Reprint) Fernán Caballero,2017-12-07 Excerpt from La Gaviota a Spanish Novel In rendering into English the ballads and other poetry so profusely interspersed throughout this novel I had to decide between the preservation of the original thoughts and ideas in all their quaintness and integrity and wrest from my translation that poetic

elegance which as English poetry I could have wished to have clothed it in or to abandon all the original save the mere text and write independent stanzas in English as though I had composed original poetry borrowing only the thought from the Spanish text My habitual desire in all my translations being to preserve the original sense in its fullest force I adopted the former of these two views and thus while the reader will find no poetic beauty he will have before him the entire original thoughts The translation of any foreign poetry into chaste and elegant English verse is acknowledged to be a very difficult task At the end of this volume are four specimens to satisfy the curious of a strictly literal verbal translation of short poetic sprinklings towards the conclusion of the tale About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *La Campanilla, 1930 (Classic Reprint)* New Jersey State Teachers College, 2017-11 Excerpt from La Campanilla 1930 In recognition of his services as advisor to the class of 1930 and as Dean of Instruction to the board of editors in the name of the student body do dedicate About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works La Campanilla, 1940 (Classic Reprint) College High School, 2017-12-14 Excerpt from La Campanilla 1940 Curly blonde hair a ready smile for all and an ability to skate and fence are only a few of the characteristics that make Marshall the likeable fellow he is Living in Great Notch does not hinder his punctuality and he is never late to his first period class because he uses his bike for transportation Aside from being an able and conscientious student Marshall is also a stalwart tenor in the chorus His pet hobby however is soilless agriculture which he expects to study in the future About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
