

## Typical Silver Dragon Lair

One of two views with rest of dragon

Oblique View

## The Silver Dragon's Lair

The main entrance of the silver dragon's lair can be approached only by air, which, of course, is no hardship for the dragon. From there, a narrow hallway leads to the main living area, a cavernous room in which the dragon entertains with its guests. Off this entertaining area is a storage room, as well as a tank, and beyond that lies the dragon's sleeping chamber. The lair also includes a study and library, a dining room, a smaller storage room, and two clinic rooms. Here, the dragon can offer help and protection to anyone who needs it.

No dragon's lair is ever complete without an escape route. A narrow tunnel leads from the back of the main living area and winds its way through the mountains in which the lair is built. The tunnel opens to a cliff where the dragon can then fly free.

## Combat

Silver dragons don't go out of their way to bring justice to the world. Rather, they wait for others to ask them for help. That doesn't mean a silver dragon won't jump into the fray if it spots danger. But unlike the gold dragons, who react out of a need to punish it, the silver dragon reacts peacefully with others. The silver dragon doesn't like to be injured; if it does, it will take action. The silver dragon is more concerned with protecting the humans it has come to care for than in spending its life looking for evil.
