*The Future of Live* Karin van Es, 2016-11-28 Liveness is a persistent and much-debated concept in media studies Until recently it was associated primarily with broadcast media and television in particular However the emergence of social media has brought new forms of liveness into effect These forms challenge common assumptions about and perspectives on liveness provoking a revisiting of the concept In this book Karin van Es develops a comprehensive understanding of liveness today and clarifies the stakes surrounding the category of the live She argues that liveness is the product of a dynamic interaction between media institutions technologies and users In doing so she challenges earlier conceptions of the notion which tended to focus on either one of these contributors to its construction By analyzing the live in four different cases a live streaming platform an online music collaboration website an example of social TV and a social networking site van Es explores the operation of the category and pinpoints the conditions under which

it comes into being The analysis is the starting point for a broader reflection on the relation between broadcast and social media

**E-doc**, 2008 **Motion Picture Almanac**, 2007 *The Official Xbox Magazine*, 2008 **F&S Index United States Annual**, 1999 **Strategic Database Marketing 4e: The Masterplan for Starting and Managing a Profitable, Customer-Based Marketing Program** Arthur Hughes, 2011-12-20 Use the latest digital technologies for lifelong customers and repeat sales Arthur Middleton Hughes is database marketing s Great Explainer He has a unique gift for taking complex subjects and breaking them down in ways people can easily understand This is the most approachable book I have ever read on the subject Ken Magill Publisher The Magill Report Strategic Database Marketing is a must read for anyone in CRM or e mail marketing The Customer Lifetime Value information and formula is critical to utilize Arthur s information makes it easy to update with your e mail metrics and improve KPIs to know the success of each marketing program David Horwedel eCRM Program Manager Dell Arthur Hughes is truly a direct marketing database guru This edition of Strategic Database Marketing is a must read for any marketer in today s ever changing environment Vicki Updike President Miles Kimball Company

Strategic Database Marketing objectively challenges the very way we go about using our data and where we should be going in the future. It is an important, informative, and enjoyable read. Matt Edgar, Founder, Global Marketing Alliance and publisher of Direct Marketing International, Strategic Database Marketing provides the fundamentals of consumer data management that every marketer should know. Arthur's insight into utilizing e-mail and social media both as a data source and communication medium is key to creating the highly relevant and targeted messaging that today's consumers demand. Angela Sanchez, Sr. Director of Marketing, Universal Music Group, Arthur Hughes describes how smart marketers amass the mounds of valuable customer data accumulated by their company, find common characteristics among those individuals, and then suggest a product or service that customers will be eager to purchase even before they know they want to buy it. Kathryn Kiritsis, Director, Online Marketing, Avis Budget Group, Read this book if you are looking to make sense of the complexities of database marketing in the digital world. Mr. Hughes has produced a tour de force. Steve Cobden, CMO, Thompson Company of Tampa, Inc. I have learned so much from Arthur Hughes over the years. This book is no exception. He continues not only to address theory but also offer practical, measurable application. Sue Coakley, Sr. Director, Customer Contact Strategy, Yahoo! About the Book: Since the previous edition of Strategic Database Marketing was published in 2006, digital tools like Google e-mail, mobile devices, and social networking sites have completely changed the game. Customer outreach knows no boundaries; program management is more complex, and smart use of databases is absolutely critical to success. With these new challenges, though, come great opportunities, and this thoroughly updated new edition has everything you need to seize them all. Retaining all the tips, tactics, and strategies that have made Strategic Database Marketing the go-to resource for marketers who take their craft seriously, this classic guide gives you the most current tools and techniques for gathering and measuring metrics and making accurate predictions with them. Completely revised and updated, this new edition covers all the foundational database marketing principles and practices, including Lifetime Value (LTV), Building Profits with Recency and Frequency, The Off-E-Mail Sales Multiplier, Customer and Subscriber Acquisition, Monetary RFM Analysis, Expanding Retail Store Traffic, Customer Segmentation, Analytics and Modeling, Loyalty Marketing, Measuring the Impact of Social Media, Testing and Control Groups, Business-to-Business Database Marketing. All quizzes, forms, strategies, charts, and graphs are available online for instant reference and downloads. The book also enables you to calculate the lifetime value of your subscribers and customers and sample online databases to quantify your efforts. The personal customer information stored in your company's database files provides you with a unique and valuable competitive advantage. But are you using that information productively? Is your data difficult, if not impossible, for frontline employees to access when needed? Strategic Database Marketing, Fourth Edition, is a one-stop resource for making the best possible use of database marketing to meet your strategic goals while keeping up with the changing nature of the market. *Business Week*, 2010 **Marketing** Gary M. Armstrong, Philip Kotler, 2007 How do we get you moving? By placing you, the customer, in the driver's seat. Marketing

introduces the leading marketing thinking on how customer value is the driving force behind every marketing strategy
