William Winston, Douglas H Ruben

Readers Choice Self Help:

Writing for Money in Mental Health William Winston, Douglas H Ruben, 2021-12-12 Offering a simple to follow roadmap for scholars practitioners and journalists seeking payable markets for their works Writing for Money in Mental Health is your authoritative guide to the inner circle of writing for dollars on mental health topics For psychiatrists psychologists occupational physical and vocational therapists allied health practitioners and journalists specializing in mental health topics this book guides you through the obstacles of choosing topics locating suitable placements meeting submission criteria and facing the fear of rejection The book s focus on how to write stimulating articles and book proposals translate technical jargon into plain English and stay up to date with insider tips will help you supplement your paycheck in a time of shrinking referrals clients and opportunities for income As the first complete handbook for aspiring professionals seeking consumer and commercial outlets for their writing Writing for Money in Mental Health describes proven strategies for low and high profit results in scripting mental health ideas without painstaking effort You ll use this handy guide to discover how to write for money instead of pure scholarship how to alter your style for the consumable public market new markets in multimedia typically overlooked in mental health writing nontraditional paths to publication how easy writing for the public can be especially for money Along with inspirational instruction and invaluable trade secrets at the heart of manuscripts sales each chapter provides you with a detailed list of resources These annotated entries culled from questionnaires returned from editors publishers and other media personnel list key editorial data on magazines book publishers and other multimedia purchasers open to submissions in the mental health field whose products are for tabloid or mass appeal Reader's Choice .1993 Reading Still Matters Catherine Sheldrick Ross, Lynne (E.F.) McKechnie, Paulette M. Rothbauer, 2018-03-01 Drawing on scholarly research findings this book presents a cogent case that librarians can use to work towards prioritization of reading in libraries and in schools Reading is more important than it has ever been recent research on reading such as PEW reports and Scholastic's Kids and Family Reading Report proves that fact This new edition of Reading Matters provides powerful evidence that can be used to justify the establishment maintenance and growth of pleasure reading collections both fiction and nonfiction and of readers advisory services. The authors assert that reading should be woven into the majority of library activities reference collection building provision of leisure materials readers advisory services storytelling and story time programs adult literacy programs and more This edition also addresses emergent areas of interest such as e reading e writing and e publishing multiple literacies visual texts the ascendancy of young adult fiction and fan fiction A new chapter addresses special communities of YA readers The book will help library administrators and personnel convey the importance of reading to grant funding agencies stakeholders and the public at large LIS faculty who wish to establish and maintain courses in readers advisory will find it of particular interest A Return to the Common Reader Adelene Buckland, 2017-03-02 In 1957 Richard Altick's groundbreaking work The English Common Reader

transformed the study of book history Putting readers at the centre of literary culture Altick anticipated and helped produce fifty years of scholarly inquiry into the ways and means by which the Victorians read Now A Return to the Common Reader asks what Altick's concept of the common reader actually means in the wake of a half century of research Digging deep into unusual and eclectic archives and hitherto overlooked sources its authors give new understanding to the masses of newly literate readers who picked up books in the Victorian period They find readers in prisons in the barracks and around the world and they remind us of the power of those forgotten readers to find forbidden texts shape new markets and drive the production of new reading material across a century Inspired and informed by Altick's seminal work A Return to the Common Reader is a cutting edge collection which dramatically reconfigures our understanding of the ordinary Victorian readers whose efforts and choices changed our literary culture forever **Library of Congress Subject Headings** Library of Congress, Library of Congress. Subject Cataloging Division, Library of Congress. Office for Subject Cataloging Policy, Library of Congress. Cataloging Policy and Support Office, 1988 The History of Reading, Volume 2 K. Halsey, W. Owens, 2011-08-26 Reading has a history But how can we recover it This volume brings together original research essays focusing on the history of reading in the British Isles using evidence ranging from library records to Mass Observation surveys to highlight the social factors that influence a seemingly private individual activity Library of Congress Subject Headings: F-O Library of Congress.
