Elizabeth Ann Seton Mother For Many Saints And Me:

Elizabeth Ann Seton Barbara Yoffie, 2013-05 The story of Saint Elizabeth Ann Seton **My Friendship with Saint Elizabeth Ann Seton** Mary Hilaire Tavenner, Mary Hilaire Tavenner Ph.D, 2008-09-18 My Friendship with St Elizabeth Ann Seton is a book about a unique relationship between someone born in 1774 and the author born in 1948 It is the adventures of Mary Hilaire Sally Lynne Tavenner and the first native born American saint throughout the past forty years In this book you will learn the life of Mother Seton read a first hand account of her canonization as recorded by one of the 14 000 Americans present in Rome for the event The reader will learn about the process and documented miracles which helped to bring about her canonization You will also read behind the scene memoirs of a 3 million docudrama produced by Hollywood on the life of St Elizabeth Ann Seton The book relays many personal experiences anecdotes and information unique to this particular collection of stories If you have ever had a devotion to a particular saint you will enjoy reading the adventures of Hilaire Sally Tavenner and Elizabeth Bayley Seton **Saints and Feasts of the Liturgical Year** John Paul Thomas, 2023-12-10 If a list were made of the greatest human beings who have ever lived those reflected upon in this four volume series would be at the top of that list Though historians often attempt to judge greatness from their own subjective perspective there must be an objective criteria by which human greatness is judged The only Person Who is capable of establishing that criteria is God The criteria that God has established are the virtues as identified by Jesus and revealed by Him through the holy Gospels The goal of this four volume series is to present each saint found on the Catholic liturgical calendar as a Solemnity Feast or Memorial in such a way as to identify the Godly virtues that place them on the top of that list Though their greatness has already been established and their heroic virtues confirmed by the Church God chose the men and women found in these pages not only for greatness in their lifetimes but also as models of holiness in ours These men and women are gifts to you given by God through the Church Every saint is unique but every saint is similar because each one became living witnesses to Christ and living Gospels for a world in need Some saints were united to God through martyrdom some through virginity and chastity some through works of charity and some through lives of intense prayer The saints have come from every culture every socio economic background every level of education and every personality type Through every saint God shines forth radiating His abundant mercy through the diversity of their lives In the end it is not their personality preferences gifts or any other unique qualities that unite them as the one communion of saints It is God and God alone Who floods their souls and forms them into a united song of praise of God s eternal glory Why read about the saints Why learn about their lives Why ponder what they said and did The answer is simple You are called to be among their company You are called to become as holy as they were transformed by God s grace and to radiate that grace in the world today At first the virtues of the saints might seem to be out of your reach The saints can appear to be superhuman The truth is that the saints became fully human by becoming who they were created to be They rejected the deceptions of the devil the

seductions of the world and the weaknesses of the flesh Instead they discovered the truths of God sought out the riches of Heaven and became filled with the strength of every virtue As you read about the lives of the saints ponder their words and actions study their heroic virtues and learn from their lives of prayer allow yourself not only to be inspired by them but also to desire to imitate them Nothing is stopping you from being counted among the saints in Heaven God promises to lavish every grace upon you that you need to walk down that holy path Only when you refuse His grace is that mission thwarted

Alban Butler's popular *Lives of the Saints* lists far more men than women. No book about the saints could ignore such beloved early martyrs as Agnes of Rome and Lucy of Syracuse, but this new book will introduce you to many new women who have been canonized or beatified in recent decades. Among them are martyrs and mystics, rebellious daughters, loving wives and mothers, reformed prostitutes, restless visionaries, and humble recluses. Of the hundreds of women mentioned, 159 have been canonized or beatified since 1979. Approximately 100 of them lived in the twentieth century. This book is also unique in that it uses the saint's own words wherever possible, taking advantage of newly discovered archives, memoirs, and other primary sources. It includes resources such as internet shrines and other websites, as well as little-known information on the canonization process. A beautiful and concise guide to the luminous women who inspire us to deeper faith.
