Body Paula Gooder, 2016-05-19 The Body and the Spirit though roughly speaking being in the same place they are almost always

separated from each other in Christian thought The body is painted as something bad frail coarsely corporeal and ruled by the flesh which is always pronounced with parental disdain as if it were a bad influence on an otherwise good child Whereas the Spirit is pure lofty and Good and that you can only really connect with God with what is inside But is it fair to separate Spirituality from the Body Following up Heaven her bestselling and highly praised look at how we see heaven and how the Bible depicts it Paula Gooder explores key Biblical concepts of the Body before moving on to examine what Paul taught in the New Testament That actually we need to take a different look at what is meant by the Body With careful scholarship thoughtful reflection on Biblical passages and an stylistic approach like that of Heaven which The Times Literary Supplement called a fine example of careful biblical scholarship made accessible and exciting Body isn t just a book for the brain Neither is it a book to feed the Spirit It s a book for the person The whole person **Soul-Deep Beauty** Melissa L
