If you're looking for the original book, search this link: <http://amzn.to/2qwdd5F>. Have you ever had fantasies as a child about the good battling the evil forces? Elon Musk was just like that, but he took these fantasies seriously and acted upon them with his strong belief that he could change humanity's future with various innovations. He later became involved in creating futuristic cars and rockets and became the CEO of three successful companies. Note: This summary is wholly written and published by readtrepreneur.com. It is not affiliated with the original author in any way. Failure is an option here. If things are not failing, you are not innovating enough. Elon Musk: Elon Musk had big, great dreams since he was little, and he jumped at every opportunity he could get to make his dreams come true. However, it was not easy, and he met with many failures along the way. However, Musk remained positive nonetheless and never gave up his dreams. He overcame all the odds and is now an inspiring figure to many and an authority in the fields of automotive, space, and utility. P.S. Elon Musk was an eccentric man, and getting his approval for writing his life story did not come easy. However, as you read this book, you will realise that there is a lot to learn about and from this amazing man. The Time for Thinking is Over, Time for Action.
