Exploring Masculinities Identity Inequality Continuity And Change:

Exploring Masculinities C. J. Pascoe,Tristan Bridges,2016 Exploring Masculinities Identity Inequality Continuity and Change is a comprehensive and contemporary reader for the growing field of men s and masculinities studies It takes a conceptual approach by covering the wide range of scholarship being done on masculinities beyond the model of hegemonic masculinity C J Pascoe and Tristan Bridges extend the boundaries of the field and provide a new framework for understanding masculinities studies Rather than taking a topics based approach to masculinity Exploring Masculinities offers an innovative conceptual approach that enables students to study a given phenomenon from a variety of perspectives It divides up the field in ways that provide accessible introductions to complex debates and key intra and interdisciplinary distinctions The book provides a portable set of conceptual tools on which scholars and students can rely to analyze masculinities in different contexts time periods and embodiments

Gendered Lives Nadine T. Fernandez,Katie Nelson,2022-01-01 Gendered Lives takes a regional approach to examine gender issues from an anthropological perspective with a focus on globalization and intersectionality Chapters present contributors ethnographic research contextualizing their findings within four geographic regions Latin America the Caribbean South Asia and the Global North Each regional section begins with an overview of the broader historical social and gendered contexts which situate the regions within larger global linkages These introductions also feature short project people profiles that highlight the work of community leaders or non governmental organizations active in gender related issues Each research based chapter begins with a chapter overview and learning objectives and closes with discussion questions and resources for further exploration This modular regional approach allows instructors to select the regions and cases they want to use in their courses While they can be used separately the chapters are connected through the book s central themes of globalization and intersectionality An OER version of this course is freely available thanks to the generous support of SUNY OER Services Access the book online at <https://milneopentextbooks.org/gendered-lives-global-issues>

Analysing American Advice Books for Single Mothers Raising Sons Berit Åström,2023-02-07 Although single fathers as primary careers are on the rise most single parent households in the US are headed by women These women are a lucrative market for parenting books and most of these books are aimed at single mothers raising sons This intersectional study analyses the way in which these advice books draw on mother blame language misconceptions of neuropsychological research and traditional conceptualisations of masculinity and femininity to convince the mother readers that they are unable to raise a son to be a man The study further connects the advice books to a cultural backlash against ideas of involved fatherhood and caring masculinity exploring how the authors argue for a return to traditional family structures

A Kaleidoscope of Identities James W. Messerschmidt, Tristan Bridges, 2022-06-20 Contemporary theoretical tools in the social sciences and humanities hinder an understanding of the dynamic interplay between reflexivity and routine in the formation of sex gender and sexual identities In A Kaleidoscope of Identities James W Messerschmidt and Tristan Bridges build on the work of feminist sociologists in examining the relationship among situational interaction accountability and relational and discursive social structures to uniquely conceptualize sex gender and sexual practice as both reflexive and routine Drawing on nuanced and powerful life history interviews Messerschmidt and Bridges present a new theoretical framework situating reflexivity and routine in a much more symbiotic relationship than has been previously acknowledged Without privileging either Messerschmidt and Bridges explore this relationship through a novel analysis of the ways reflexivity and routine collaboratively shape sex gender and sexual identities over time and across space A Kaleidoscope of Identities provides a fresh accessible and provocative argument advancing our knowledge on the changing nature of sex gender and sexual identity formations alongside transforming systems of power and inequality

Situated Fathering

William Marsiglio, Kevin Roy, Greer Litton Fox, 2005-08-04 *Situated Fathering* proposes a new theoretical framework for studying how various contingencies of physical space in conjunction with social symbolic issues affect men's identities as fathers and their involvement with children. Written largely for family scholars and students by an interdisciplinary team of leading scholars, this distinct volume of original research explores fathers in a wide range of physical and social spaces. Contributors outline directions for theoretically guided research in specific, often gendered, fathering sites. Visit our website for sample chapters.

The Masculinities Reader Stephen M. Whitehead, Frank Barrett, 2002-01-21 The Masculinities Reader provides a clear and comprehensive introduction to the key debates informing the study of masculinity. Structured in an accessible format, the book makes available in a single text some of the most important work on a range of subjects including male power, patriarchy, management and organizations, sexualities, gay friendships, sport, intimacy, identity, hegemonic masculinity, violence, schooling, language, homophobia, Black, Latino, and Chicano masculinities, families, media, postmodernism, and subjectivity. The book opens with a substantive introductory chapter that looks at masculinity in crisis, post-feminism, men's power, changing men, nature, nurture, debates, and concepts of identity. Recognizing the global dimensions of gender change, the book draws on research from many corners of the world. The Masculinities Reader is an essential text for students and researchers concerned with exploring men and masculinities. In providing a unique overview of an increasingly important field of sociological enquiry, this book will be an invaluable addition to students and academics in sociology, gender studies, cultural studies, and a range of other disciplines. Contributors include Arthur Brittan, David Collinson, Bob Connell, Ralph Donald, David Gutterman, Jeff Hearn, Deborah Kerfoot, Scott Kiesling, Michael Kimmel, John MacInnes, Richard Majors, Michael Messner, Alfredo Mirande, David Morgan, Peter Nardi, and Lynne Segal.

Marginalized Masculinities Chris Haywood, Thomas Johansson, 2017-04-07 This volume explores how men in precarious positions in different countries and social contexts understand and experience their masculinities, focusing on men who are viewed as being marginal in a range of fields in society, including the family, work, the media, and school. It provides a range of stakeholders, including students, academics, researchers, and policy makers, with an informed understanding of what it means to experience marginalization.
