Exploring Proverbs John Phillips, 2002-08-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moodymagazine NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda, 2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We've seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God's mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God's children and no child of God keeps on sinning after they are born again through Jesus the Anointed One **Parent-Driven Discipleship** Michael F Kennedy Jr., 2015-08-28 As many

Christians bemoan the deterioration of family values in our society have we as Christian parents abdicated our responsibility by spiritually abandoning our children Although the church has a part in our children's spiritual education are we not accountable before God for the spiritual development of our children Statistics reveal that Christian parents are rarely involved in the spiritual lives of their children Scripture however paints a very different picture of what this relationship should look like As parents we have the responsibility to drive the discipleship process in the home We must keep our hands on the wheel and take responsibility to guide our children as they journey through life This includes purposefully sharing the gospel with them teaching them the ways of the Lord and modeling for them a Great Commission focused lifestyle The purpose of this book is to examine the biblical responsibility parents have to be involved in their children's spiritual lives and help equip them to take an active role Michael Kennedy Besides laying out a clear study of the biblical foundation for his call to parents author Michael Kennedy supplies a parent and church questionnaire to give the reader an assessment of their starting place and then proceeds to give practical stepping stones to begin raising their children in the admonition of the Lord *Sacred Intent* Brent Crowe, 2015-10-13 Crowe speaks to tens of thousands each year instilling leadership skills and motivating his audience to imagine what you would do for the glory of God if you knew with certainty that you absolutely could not fail

Their Master's Voice Chris Woodall, 2020-11-03 Of the five books that make up the Major Prophets in the Old Testament three are amongst the largest of the Bible Isaiah Jeremiah and Ezekiel As if to underscore their Major status each one is significantly longer than the Minor Prophets combined Although the specific details of each prophet's

contribution differ a more general overarching theme may be discerned in them all to remind their respective target audiences of their covenantal obligations The prevailing human condition throughout the ages ensures that while circumstances cultural development and technological advancements do change with time the underlying sinful disposition of mankind remains constant in every epoch Mercifully God s messages to both victim and perpetrator alike are similarly unchanging In the stream of progressive revelation it would be irresponsible simply to dip into the waters of the Old Testament and translate its lessons to our day without due process That process might include asking certain questions of the texts under consideration Are the lessons provided by these Old Testament saints applicable to us as Christians in the twenty first century Do their words still speak today Only if Christian believers are still prone to such folly as chasing disposable pleasures instead of choosing meaningful pursuits *Best Books for Your Bible Study Library* Cyril J.
