Exploring Philosophy An Introductory Anthology:

Exploring Philosophy Steven M. Cahn, 2005 This introduction to philosophy anthology offers contemporary essays supplemented by historical sources edited to enhance their appeal to all readers This edition also includes separate chapters on knowledge and mind the latter of which has updated essays on the mind body problem and an essay addressing artificial intelligence

Exploring Philosophy Steven M. Cahn, 2009 *Exploring Philosophy* is an accessible and engaging introduction to philosophy Steven M Cahn brings together extraordinarily clear essays by noted philosophers and supplements them with influential historical sources

Exploring Philosophy Steven M. Cahn, 2024 Those who begin the study of philosophy may easily become discouraged Many classic texts are daunting in their complexity and much contemporary writing is intended primarily for a professional audience A few prominent philosophers of our day write in a style understandable by all but nonspecialists are often left unaware of this work They may never realize that serious discussion of central problems of philosophy can proceed without arcane terminology unexplained references or convoluted arguments The guiding principle of this book is that reading clear concise essays by recent philosophers offers an inviting avenue to understanding philosophical inquiry While some of the articles are reprinted in their entirety many are shortened to sharpen their focus and enhance their accessibility For readers who wish to understand the development of philosophy over the centuries I have included a substantial number of historical sources including without abridgement Plato's *Defense of Socrates* *Crito* and *Meno* as well as substantial segments from his *Republic* Descartes *Meditations on First Philosophy* and Hume's *An Enquiry Concerning Human Understanding* and *Dialogues Concerning Natural Religion* Most of these are identified by the name of the work from which the selection is drawn while with regard to some of the recent essays I have taken the liberty of developing short descriptive titles

Exploring Philosophy of Religion Steven M. Cahn, 2009 What are the inherent claims that lie at the core of religion Which of them are defensible by reason and which are not Potential answers to these questions and more from influential philosophers past and present may be found in this short book edited by Steven M Cahn Featuring fifty two classic and contemporary readings *Exploring Philosophy of Religion Text and Readings* is a topically organized anthology that presents broad coverage of seven major areas in the philosophy of religion the concept of God the existence of God religious language miracles and mysticism belief in God resurrection and immortality and religious pluralism in a clear and accessible format With guiding introductory material from Professor Cahn each of the readings has been carefully selected and edited for maximum clarity and comprehensiveness only the most essential material is included To further foster understanding the text also features an appendix consisting of Professor Cahn's monograph *God Reason and Religion* which provides a synthesis and interpretation of the crucial issues raised throughout the readings

Exploring Philosophy Steven M. Cahn, 2004-08 In this remarkably accessible and inviting introduction to philosophy Steven M Cahn brings together extraordinarily clear recent essays by noted philosophers and supplements them with influential historical sources

Most importantly the articles have been carefully edited to make them understandable to every reader The topics are drawn from the major fields of philosophy and include knowledge and skepticism freedom and determinism mind and body the existence of God the problem of evil faith and reason cultural relativism abortion euthanasia democracy privacy capital punishment affirmative action death and the meaning of life The collection also contains in preeminent translations and with explanatory notes the complete texts of Plato's Meno Euthyphro Defence of Socrates and Crito as well as specially selected materials by Aristotle Aquinas Descartes Hume Kant and Mill

A New Introduction to Philosophy Steven M. Cahn,2004-04-07 An accessible and engaging introduction to philosophical inquiry this book concentrates on topics of greatest interest to beginning students the nature and tools of philosophy free will philosophy of religion ethics and

social philosophy The work throughout is clearly written and carefully argued *Philosophical Debates* Steven M. Cahn, 2021-05-04 This volume completes a trilogy of Steven M Cahn s shorter writings that includes *The Road Traveled and Other Essays* 2019 and *A Philosopher s Journey* 2020 Included here are his contributions to three philosophical debates first whether events are fated to occur second whether God is knowable and third whether morality can conflict with happiness The book contains not only Cahn s essays but also edited versions of the writings to which he is responding thereby putting his remarks into context and rendering them accessible to all These pieces make clear why Professor Cahn is regarded as one of the leading philosophy teachers of his generation **Religion Within Reason, Second Edition** Steven M. Cahn, 2025-02-27 Most believers and their critics agree that religious commitment relies on the acceptance of supernaturalism Steven M Cahn argues to the contrary He maintains that theism is neither necessary nor sufficient for adherence to a religious outlook He writes in a nonpolemical spirit about morality the problem of evil faith miracles heaven mystical experience and religious diversity His book develops a strong case for the reconciliation of science and religion

A Philosopher's Journey Steven M. Cahn, 2020-06-22 For over fifty years Steven M Cahn has been a prolific contributor to discussions of philosophical and educational issues In this volume he has chosen his favorite articles from the 1960s to the present reflecting his long standing interests in the concept of free will the rationality of religious belief the insights of John Dewey the affirmative action debate the aims of higher education and the nature of living well Also included are several philosophical puzzles Professor Cahn is a noted teacher and lecturer and these essays reflect his skills at explaining complex ideas with clarity and defending challenging positions with cogency His work demonstrates how philosophical inquiry can be both engaging and enlightening **A Teacher's Life** Robert B. Talisse, Maureen Eckert, 2009-01-01 This is a collection of 13 essays honoring Steven Cahn presented to him on the occasion of his 25th year as Professor of Philosophy at the City University of New York The essays address issues concerning the teaching of philosophy the responsibilities of professors and the good life From Student to Scholar Steven M. Cahn, 2024-05-10 This expanded edition of a celebrated book by philosopher and educator Steven M Cahn offers sound advice on building a successful academic career He explains how to plan complete and defend a dissertation how to handle interviews for academic positions how to improve your teaching how to prepare and publish research how to develop a professional network and how to garner support for earning tenure Whether you are considering enrolling in graduate school seeking an academic position or balancing the demands of a professorial career you will find valuable guidance in Cahn s insightful account of the ways of academia *God and Evidence* Rob Lovering, 2013-06-20 *God and Evidence* presents a new set of compelling problems for theistic philosophers The problems pertain to three types of theistic philosopher which Lovering defines here as theistic inferentialists theistic non inferentialists and theistic fideists Theistic inferentialists believe that God exists that there is inferential probabilifying evidence of God s existence and that this evidence is discoverable not simply in principle but in practice Theistic non

inferentialists believe that God exists that there is non inferential probabilifying evidence of God s existence and that this evidence is discoverable not simply in principle but in practice Theistic fideists believe that God exists that there is no discoverable probabilifying evidence inferential or non inferential of God s existence and that it is nevertheless acceptable morally if not otherwise to have faith that God exists Lovering argues that each type of theistic philosopher faces a problem unique to his type and that they all share two particular problems Some of these problems take us down an entirely new discursive path others down a new discursive path branching off from an old one **Professors as Teachers** Steven M. Cahn, 2022-07-15 Too many professors view themselves primarily not as teachers but researchers How can the system be changed so that success in the classroom will be promoted and receive greater emphasis Noted philosopher and educator Steven M Cahn presents proposals to achieve that end including changes in graduate education the appointment process the evaluation of teaching the tenure system and the choice of administrators Filled with actual examples from academic life the book is jargon free and compellingly argued *Proceedings and Addresses of the American Philosophical Association* American Philosophical Association, 2008 List of members in v 1
