Cahn, 2019 **Exploring Ethics** Professor of Philosophy Steven M Cahn, 2019-06-28 In this remarkably accessible concise and engaging introduction to moral philosophy Steven M Cahn brings together a rich balanced and wide ranging collection of fifty two readings on ethical theory and contemporary moral issues He has carefully edited all the articles to ensure that they will be exceptionally clear and understandable to undergraduate students The selections are organized into three parts Challenges to Morality Moral Theories and Moral Problems providing instructors with flexibility in designing and teaching a variety of ethics courses Each reading is followed by study questions The fifth edition features twelve new articles and unparalleled representation of women philosophers with twenty four of the essays authored or coauthored by women A password protected Instructor s Manual is available on the book s Ancillary Resource Center Visit the book s free open access Companion Website for additional student and instructor resources

**Exploring Philosophy** Steven M. Cahn, 2017 **Exploring Philosophy** is an accessible and engaging introduction to philosophy Steven M Cahn brings together extraordinarily clear essays by noted philosophers and supplements them with influential historical sources

**Exploring Philosophy** Steven M. Cahn, 2020-10 **Exploring Philosophy** An Introductory Anthology is the most accessible yet still comprehensive topically organized introduction to philosophy Steven Cahn has carefully selected extraordinarily clear recent essays by noted philosophers and has supplemented these with influential historical sources Most importantly the articles have been carefully edited to focus on their core content and arguments making them understandable to students studying

philosophy for the first time The topics are drawn from across the major fields of philosophy and include knowledge and skepticism mind and body freedom and determinism the existence of God the problem of evil ethical reasoning abortion euthanasia world hunger democracy capital punishment and affirmative action The readings are enhanced by concise introductions explanatory notes and suggestions for further reading In the 5th edition Cahn greatly increased the number of readings by women and this feature was very positively received by instructors This edition has become the 2nd or 3rd best selling reader for the intro course after our own 1 reader by Perry The 6th edition will be revised in light of the reviews

**Exploring Ethics: An Introductory Anthology, 2nd Ed** Steven M. editor Cahn, 2011 **Studyguide for Exploring Ethics** Cram101 Textbook Reviews, 2016-06-17 Never HIGHLIGHT a Book Again Includes all testable terms concepts persons places and events Cram101 Just the FACTS101 studyguides gives all of the outlines highlights and quizzes for your textbook with optional online comprehensive practice tests Only Cram101 is Textbook Specific Accompanies 9780199946587 This item is printed on demand *Exploring Academic Ethics* Steven M. Cahn, 2024-11-27 Academic ethics is the study of moral problems arising in higher education These may concern the responsibilities of professors or the institutional policies of colleges and universities In this work Steven M Cahn a pioneer in the field brings together his essays concerning four provocative issues curricular controversies tenure processes affirmative action and pedagogic obligations Written with his characteristic clarity and imaginative examples Cahn vividly demonstrates how academic life is replete with practices that raise moral concerns *Exploring Philosophy of Religion* Steven M. Cahn, 2016 In this remarkably accessible concise and engaging introduction to the philosophy of religion Steven M Cahn brings together a rich and balanced collection of sixty six classic and contemporary readings This unique anthology features a clear well organized structure and careful editing of many articles in order to sharpen their focus and make them understandable to students with little or no background in philosophy The book also reflects the importance of women s contributions to the field 40% of the contemporary readings are by women In addition topics often minimized in other collections are covered in more depth here including forgiveness and love ritual prayer and worship gender speaking of God and the afterlife A Moral Defense of Prostitution Rob Lovering, 2021-07-09 Is prostitution immoral In this book Rob Lovering argues that it is not Offering a careful and thorough critique of the many twenty to be exact arguments for prostitution s immorality Lovering leaves no claim unchallenged Drawing on the relevant literature along with his own creative thinking Lovering offers a clear and reasoned moral defense of the world s oldest profession Lovering demonstrates convincingly on both consequentialist and nonconsequentialist grounds that there is nothing immoral about prostitution between consenting adults The legal implications of this view are also brought to bear on the current discourse surrounding this controversial topic A Moral Defense of Recreational Drug Use Rob Lovering, 2015-08-12 Why does American law allow the recreational use of some drugs such as alcohol tobacco and caffeine but not others such as marijuana cocaine and heroin The answer lies not simply in the harm the use of these drugs

might cause but in the perceived morality or lack thereof of their recreational use. Despite strong rhetoric from moral critics of recreational drug use, however, it is surprisingly difficult to discern the reasons they have for deeming the recreational use of some drugs morally wrong. In this book, Rob Lovering lays out and dissects various arguments for the immorality of using marijuana, cocaine, heroin, and other drugs recreationally. He contends that by and large, these arguments do not succeed. Lovering's book represents one of the first works to systematically present, analyze, and critique arguments for the moral wrongness of recreational drug use. Given this, as well as the popularity of the morality-based defense of the United States drug laws, this book is an important and timely contribution to the debate on the recreational use of drugs.

**Forgiveness Confronts Race, Relationships, and the Social** Court D. Lewis, 2022-07-05. *Forgiveness Confronts Race, Relationships, and the Social*, Volume V of the *Philosophy of Forgiveness* series, is an exercise in listening. Listening to others and not just waiting for them to stop speaking requires a willingness to recognize the worth of the other and to believe that what they say is worthy of consideration. Much like reading a book, one must strive to quiet the constant voice in one's head in order to hear and process the information communicated. Listening is not always easy, and it takes considerable practice, but it is one of the most effective means for developing understanding and growing as an intellectual and moral person. Literature dealing with forgiveness lacks many important voices, including those from First Peoples, African American, LatinX, and LGBTQ, and many others, and the authors of *Forgiveness Confronts Race, Relationships, and the Social* begin the task of closing these gaps, discussing topics from folk and other social and political issues to racism, systems of oppression, and religion. The authors were asked to explore forgiveness from their own understandings of underrepresented aspects of forgiveness, and readers will hopefully be enlightened and inspired to make their own diverse voices of forgiveness heard, creating a true dialogue of diversity and wisdom.

**A 21st Century Ethical Toolbox** Anthony Weston, 2018. *A 21st Century Ethical Toolbox* invites students to think beyond the rigid pro and con positions of tough ethical problems by developing creative problem-solving skills, moral vision, and genuine dialogue. Provocative selections from a wide range of philosophers, essayists, community activists, and students are interwoven with Weston's own discussions to equip students with the tools they need to think critically about contentious issues.

**The Intrinsic Value of Endangered Species** Ian A. Smith, 2016-01-08. Why save endangered species without clear aesthetic, economic, or ecosystemic value? This book takes on this challenging question through an account of the intrinsic goods of species. Ian A. Smith argues that a species' intrinsic value stems from its ability to flourish, its organisms continuing to reproduce successfully, and its avoiding extinction, which helps to demonstrate a further claim that humans ought to preserve species that we have endangered. He shows our need to exercise humility in our relations with endangered species through the preservation of their intrinsic goods, which in turn rectifies our degradation of their importance. Unique in its appeal to virtue ethics and to species concepts, *The Intrinsic Value of Endangered Species* is an important resource for scholars working in environmental ethics and the philosophy of biology.

**Moral Problems in**

**Higher Education** Steven M. Cahn, 2021-04-16 *Moral Problems in Higher Education* brings together key essays that explore ethical issues in academia. The editor and contributors all noted philosophers and educators consider such topics as academic freedom and tenure, free speech on campus, sexual harassment, preferential student admissions, affirmative action in faculty appointments, and the ideal of a politically neutral university. Chapters address possible restrictions on research because of moral concerns, the structure of peer review, telling the truth to colleagues and students, and concerns raised by intercollegiate athletics. Cahn selects two key readings in each area to offer a readable introductory guide to these critical subjects for students studying academic ethics and higher education policy. In addition to the selections and a general introduction, Cahn provides study questions for use in the classroom. *Exploring Philosophy of Religion* Steven M. Cahn, 2009 What are the inherent claims that lie at the core of religion? Which of them are defensible by reason, and which are not? Potential answers to these questions, and more from influential philosophers past and present, may be found in this short book edited by Steven M. Cahn. Featuring fifty-two classic and contemporary readings, *Exploring Philosophy of Religion: Text and Readings* is a topically organized anthology that presents broad coverage of seven major areas in the philosophy of religion: the concept of God, the existence of God, religious language, miracles and mysticism, belief in God, resurrection and immortality, and religious pluralism, in a clear and accessible format. With guiding introductory material from Professor Cahn, each of the readings has been carefully selected and edited for maximum clarity and comprehensiveness; only the most essential material is included. To further foster understanding, the text also features an appendix consisting of Professor Cahn's monograph *God, Reason, and Religion*, which provides a synthesis and interpretation of the crucial issues raised throughout the readings. *Proceedings and Addresses of the American Philosophical Association* American Philosophical Association, 2008 List of members in v. 1 **The World of Philosophy** Steven M. Cahn, 2018-06-28 Accessible, flexible, and affordable, *The World of Philosophy: An Introductory Reader*, Second Edition, presents philosophy in all its diverse array of thought and practice, offering a distinctive combination of standard analytical materials and Western historical texts alongside writings reflecting Chinese, Japanese, Indian, Arabic, African, South American, Chicano, and Native American sources. Approximately 25% of the contemporary readings are by women, including leading feminist theorists. Many articles have been edited to sharpen their focus and make them understandable to students with little or no background in philosophy. The readings are enhanced by introductions, study questions, and a glossary at the end of the book.

## **Exploring Ethics Steven Cahn Introduction**

In today's digital age, the availability of Exploring Ethics Steven Cahn books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Exploring Ethics Steven Cahn books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Exploring Ethics Steven Cahn books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Exploring Ethics Steven Cahn versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Exploring Ethics Steven Cahn books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Exploring Ethics Steven Cahn books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Exploring Ethics Steven Cahn books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Exploring Ethics Steven Cahn books and manuals for download have

transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Exploring Ethics Steven Cahn books and manuals for download and embark on your journey of knowledge?

### **FAQs About Exploring Ethics Steven Cahn Books**

1. Where can I buy Exploring Ethics Steven Cahn books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
