Exploring Seven Churches Revelation Depth:

Exploring the Seven Churches of Revelation Susan Howell, 2015-12-02 Discovering what life was like for people in the first century churches became a passion for Susan Howell Her research is focused on the first century lives what were the behind the scenes things we don't know from casually reading the Bible Focused on lessons from these churches we ask how they apply to modern times What can we do to avoid the trials and challenges of those in the first century She questioned why the letters were written to those locations which are in modern day Turkey and not in Israel As a man Jesus never visited these churches in fact He never left Israel Yet these churches open the book of Revelation the final book in the Bible given to John in a vision on the island of Patmos near the end of the first century We know that Jesus was a great communicator As He spoke to those who fish He used fishing terms and to those who bake baking terms Susan wanted to know what Jesus was saying to the first century churches What was happening in those towns those churches What did Jesus say to them in language and phrases they would understand Susan has visited the excavated ruins of each of the seven churches in Turkey and studied each letter to the individual churches She separated the letter verse by verse to learn what Jesus was saying Her hope is that you the reader will discover what He is saying to them and in turn to us This will allow the reader the opportunity to spend quality time with Jesus

Cayce information presents the premise that all of life in every dimension is actually just different manifestations of the One Force the Force that moved all of Creation into being Therefore all vibration is ultimately that One Force manifesting in the material world in a variety of ways Todeschi s latest title explores how everything from consciousness to the material is connected to vibration and how we continue to create and shape our world through the vibrations all around us Vibrations are essentially spirit in motion and our thoughts and actions affect our life and the way we are living **NIrV, Seek and Explore Holy Bible** Zondervan,2018-02-06 The NIrV Seek and Explore Holy Bible is about engaging the child s whole being heart soul and mind This Bible helps children understand God s Word by utilizing the nine common ways that children learn Logical reasoning Visualizing Discussing and debating Learning with others and using interpersonal skills Reflection or intrapersonal skills Emotional engagement Experimenting and doing Kinesthetics and Nature Children are joined on their journey through the Bible by nine different animal friends who are each designed to help kids use one of the nine different ways of learning Endearing art of an antelope monkey African elephant meerkat hippo tiger jaguar panda bear and zebra guide children from Base Camp to the different sites throughout the Bible that lead them through the story of God s people Features of the NIrV Seek and Explore Holy Bible include Full color throughout Single column text 4 child friendly Bible maps 8 75 point font Presentation page Full text of the New International Reader s Version NIrV of the Bible written at a third grade reading level for developing readers Vibrant and engaging cover *The Letters of St. Paul to Seven Churches and Three Friends* ,1906 *The Deep Things of God* Jon Paulien,2004 This practical handbook for studying the book of Revelation brings a fresh look and helpful insights to a sometimes perplexing book **The Sand Table** Rafael Shua,2009-11 The book of Revelation becomes more relevant every day yet many avoid its pages due to the cryptic content Being the only book of the Bible that promises a blessing to the one who reads and understands the message one can surmise that the Author meant for the text to be grasped Revelation sets itself apart by being a military scenario for the final redemption of the earth Since it is a tactical and strategic plan God saw fit to code it with idioms and synoptic phrases that will lead the reader to discover detail through events and prophecies found in the Old Testament Like the parables these coded messages were designed to blind the scoffer yet enlighten the seeker The Sand Table examines each verse of Revelation then presents the content with simple explanations and references It also explores the use of new technology to be wielded by political and global powers moving toward world conquest In all their stratagem God has a few maneuvers of His own **Twentieth Century Encyclopædia** Charles Morris,1911 **Discovering Pathways to Prayer** David E.
