Called2B Travis Guse,2024-03-04 Who am I Why am I here What is my purpose How can I make a more significant impact All these questions have to do with the topic of vocation Vocation is more than what one does for a living in terms of one s career Vocation is a lens that helps believers see the larger story of who they are regarding their calling with God through faith in Jesus and how they are now called to love and serve their neighbors through their everyday callings Everyday believers seeking purpose and meaning in their lives will find this book helpful in empowering them to discover and live out their authentic calling in Christ in their daily lives It will help them deepen their awareness of their ultimate identity in Christ and better discern their unique identity of God s workmanship It also can help believers develop an empowerment plan to practice good self care so that they can show up at their best in their daily callings Finally coaching can empower people to make a more significant kingdom impact in their different stations of life Family Church Lifework and Society *How to Let God Solve Your Problems* Charles F.
