Edling,2012-05 Conflict resolution experts provide leaders and lay people a biblical road map for navigating and redeeming church conflicts **Managing Church Conflict** Hugh F. Halverstadt,1991-01-01 In this instructive book Hugh Halverstadt advocates a Christian vision of shalom for an ethical process of conflict management He shows how respectfulness assertiveness accountability and a focus on the larger common good should all serve as Christian behavioral standards The book is ideal for addressing ministries church systems and other nonprofit organizations in conflict **Where Are You At?** Brenda Blue,2010-04 Everyone has been hurt before Bosses yell about missed deadlines Husbands and wives scream and complain about dirty kitchens and unbalanced checkbooks Even parents point fingers at unmade beds and mediocre test results Then there is the church a safe space in a world full of anger and pain So what do you do when the church hurts you too Have you been betrayed by someone close to you another Christian you thought would always be your friend Or perhaps a church leader has made you turn your back on the church and maybe even on God Himself Author Brenda Blue has been hurt before by the church and in *Where Are You At* she reaches out to other believers and their undeserved religious scars *Where Are You At* teaches the believer to overcome church hurts and learn from them Blue who has struggled with her own personal betrayals knows that each hurt has brought her closer to Jesus and His will for her life It is time to forgive and forget and grow closer to the Lord For the Lord disciplines those He loves and He punishes each one He accepts as His child But it is all for our own good **Church Conflict** Norma Cook Everist,2004 You love your work You love the people most of the time They respect you most of the time You work together with colleagues staff and laity with energy and enthusiasm most of the time But then something goes wrong a word spoken in anger a misunderstanding and things turn sour What do you do How do you deal with conflict whether it be long or short term low or high intensity Conflict is a part of the human predicament yet it need not define or control your ministry This book is designed to help the reader ask certain key questions about the nature and scope of the conflict they are experiencing and based on the answers to those questions move beyond conflict The author lays out the variety of responses to conflict running the gamut from avoidance to accommodation to compromise to collaboration Written with the real needs of congregations in mind this book will serve as a reliable guide to all who wish to move through conflict into a more effective and authentic fulfillment of their calling
