## **Eil Elf Global English Teaching And Learning Issues Linguistic Insights:**

**EIL, ELF, Global English** Cesare Gagliardi, Alan Maley, 2010 How can you teach the English language to global English speakers Can English be taught as an international language Is it worth teaching Isn't it more proper and profitable to learn a standard variety of English How realistic and useful is the identification of an EIL ELF variety Can an EIL ELF standard be identified These are some of the questions the present volume has addressed with the contribution of some of the most qualified scholars in the field of English linguistics The book is divided into four sections The first part deals with the definition of English as an international language and English as a lingua franca Section two takes six different teaching issues into consideration The third section examines some learning issues and the last part of the volume debates the relationship between teacher and student in an English as a lingua franca environment English as a Lingua Franca for EFL Contexts Nicos C. Sifakis, Natasha Tsantila, 2018-10-26 This book explores the interfaces of English as a Lingua Franca ELF and English as a Foreign Language EFL pedagogy It presents the theoretical aspects of ELF discusses issues and challenges that ELF raises for the EFL classroom and demonstrates how EFL practitioners can make use of ELF theorizing for classroom instruction teacher education developing language learning materials policymaking and testing and assessment Accounts of innovative and practical pedagogical practices and researchers insights from diverse geographical cultural and institutional contexts will inform and inspire EFL practitioners to reconsider their practices and adopt new techniques in order to meet their learners diverse communicative needs in international contexts *The construction of multilinguals as Others* Artemis Alexiadou, Claudio Scavarglieri, Christoph Schroeder, Heike Wiese, 2025-09-19 Multilingualism is the normal condition for contemporary as well as historical human societies However European nation state building has led to a strong monolingual habitus that constructs a community of monolingual speakers as bearers of a nation This erases or exoticises multilinguistic practices and excludes multilingual speakers The effects of this exclusion are visible in the public discourse on multilingual speakers where we find a widespread Othering of multilingual speakers understood as constructing them as members of a social and linguistic out group Such Othering is not restricted to public discourse but is also found in our own practice as professionals working in linguistics and related fields In the volume we take a close look at Othering practices not only in the public discussion and educational practice but also in academia with a focus on linguistics We provide critical reflection of common practices in our own field and discuss the implications and challenges of this for our research Chapters will address conceptual framing and labelling methodology and research bias in a broad spectrum of approaches They will discuss the social context of Othering in linguistics labelling practises in linguistic publications and the construction of multilinguals as Others in linguistic subdisciplines such as heritage language research descriptive and documentary linguistics second language acquisition language teaching and outreach activities **Bloomsbury World Englishes Volume 3: Pedagogies** Yasemin Bayyurt, Mario Saraceni, 2021-05-20 Bloomsbury World Englishes offers a
